Tenshi meets his Akuma

Naruto smiled as he walked in the bar for his shift. His long blonde hair swaying as he walked. He wore black tights that only seemed to enhance his lower body. Outlining each dip and curve in Naruto's lower body. For his top he wore a white tube top. He wore diamond earrings in his ear and a matching diamond bracelet. He walked behind the counter and clocked in.
"Naruto you're late again." Sasuke sighed at his best friend. Naruto smiled at him.
"Oh Sasu I made it. Plus without me your bar wouldn't be popping." Naruto chuckled as Sasuke just let him be, he couldn't deal with a flirty Naruto tonight.

"Welcome to Taka." Naruto called out as he saw a man walk in, the man grunted and sat at the bar.
"Whiskey, on the rocks." Naruto nodded.
"Anything else for you handsome." Naruto said as he quickly made his drink when the man shook his head no, Naruto walked to Shikamaru to talk his ear off.
"Shika-Kun.'"Shikamaru sighed.
"Naruto must you be so flirty, Temari thought we were having an affair at one point." Naruto chuckled, he really hated that wench.
"I don't like her, so I do this to annoy her. You know that troublesome blonde only accused you of having one because she's having one." Naruto said rolling his eyes, Shikamaru may be smart but he clueless.
"She's innocent until proven guilty." Shikamaru Said and Naruto sighed.
"Then prove her guilty." Naruto walked away and went back to the quiet man, he seemed like suitably company.

"So darling what brings you here?" Naruto said refilling his whiskey.
"Just needed a drink or six." Naruto placed the bottle down and looked into the mans eyes. They were the most beautiful brown. He

has ever seen. Which offset his orange hair, but made his seemingly endless tattoos and piercings shine, he was hot in a dangerous kind of way and one night with him would seemingly complete Naruto. The orange haired male stared into Naruto's bright blue eyes, he seemingly swam in his oceanic eyes.
"Naruto Uzumaki get to work." That snapped the man and Naruto out of their trance .
"SASUKE. I am working. Working in getting laid." Naruto huffed in annoyance.
"You're not getting laid on my clock Naruto." Naruto rolled his eyes, Sasuke was such a cock blocker.
"Well duty calls see you hun." Naruto planted a kiss on his cheek and went to work. Naruto smiled and called the next man hun, but he never kissed them, no Naruto only kissed those that interest him, and the orange haired man interested him, maybe it won't after he finds out what the orange hair man did for a living.

_____

"Kill him." The words tumbled out of his mouth easily, he has been doing this for years. It's the reason why in the darker part of the world he is callled...
"Please don't kill me." The man shaked. He was the one that sold all of the Akatsuki information to Heibi, or so he thought. He gave Heibi a blank disk with no information but fell right into his trap.
"Please leader-sama I have a family." The orange haired man walked up to the traitor.
"I don't care. You betrayed me, I couldn't care less about your fatherless family now." The masked man finished for his leader.
"That's is why Leader-Sama is called Orenji No Akuma, He is a demon, he has no soul." The orange hair man slammed him into the wall.

He lit a cigarette.
"Kill him." He turned his back and let his the orange masked man kill him.
"Nice knowing you." The orange masked one said as he pulled the trigger. A bang resounding throughout the alley. Quickly turning around to catch up with his leader.
"Where to now Leader-sama?"

"You head back home, update Nagato and Konan. I will be heading out for the night." So The orange haired male found the first bar that was open and it just so happened they had a blonde angel in there.

This angel couldn't cleanse him from his sin. This angel would be doused in blood if he follows this orange haired male into the darkness. However he want to bring him with him.

_____

"Naruto, stop flirting with married men." A shrill voice perked up. Naruto looked away from Shikamaru to see Temari, not that they were married yet. Shikamaru sighed, troublesome blonde indeed. Naruto clicked his teeth.
"Shouldn't you be sucking dick in an alley Temari?" Naruto said calmly. He didn't want to deal with her at the end of his shift. She gasped in horror. The orange haired male eyes widen, who knew his angel had such a potty mouth.
"Naruto watch your mouth." Shikamaru Said but Naruto disregarded him, he was in a bad mood since Sasuke stopped him from talking to that hot stranger just to work, like Sasuke couldn't pick up the slack.

"Temari, just tell Shikamaru how much of a whore you are so he doesn't marry you. Save my friend from an ugly wedding." Temari went to swing at Naruto, The orange haired male so desperately wanted to kill the blonde girl for even thinking she could hit what belonged to him, and him only. Naruto side stepped the girl and rolled his eyes.
"Just because I'm gay, doesn't mean I don't know how to protect myself." Naruto said as he moved a stray hair behind his ear, his blonde bangs slightly tousled.
"Temari stop causing a scene at my job." Shikamaru Said with a sigh. Just then a male came in, he looked around and saw Temari.

"Temari-Chan." Shikamaru's head snapped up, who was calling Temari chan? Temari froze slightly as she heard that voice, Naruto smiled and turned to see who the man was. The orange haired male sat back and watched it all, well he was mostly watching his blonde, wanting no one to get near him.

"Asuma?" Shikamaru said as he saw his fathers best friends.
"Oh Shikamaru you grew up. I heard you proposed. Who's the lucky girl?" Naruto at this point was sniggering.
"That would be Temari-Chan." Shikamaru Said with a hint and anger, Asuma looked on with question.
"How long have you two been together?" Asuma questioned, and Naruto folded his arms, Why was everybody beating around the bush?

"Like Anything he says will make a difference. The real question is Asuma, how long have you been seeing lovely Temari-chan." Naruto quickly interrupted earning a glare from the other blonde. He shrugged, Fuck her right. Shikamaru looked between Asuma and Temari, neither said a word but Naruto wasn't going to let it end there.
"I believe Shika, it was around 6 months ago." Naruto said as he tapped his finger to his chin.
"I think that's when I saw her and Asuma in the alley." Sasuke took that time to walk up after Sakura and Hinata clocked in for their shifts but Naruto and Shikamaru didn't clock out.

"What is going on." Naruto shrugged.
"Shikamaru is finding out Temari is a cheating slut." Sasuke looked them Hn'd. Shikamaru looked to his friend.
"You knew too?" Sasuke nodded.
"Caught her and Kakashi together too." Sasuke Said as he stood by Naruto. The orange haired male looked on in anger, one step closer and there would've been blood on this floor.
"How many people have you cheated on me with?" Naruto snorted, the real question is who she didn't sleep with.
"Shikamaru I can explain." She said and Asuma grunted.
"Didn't know you were a thing Shikamaru, she came on to me and said she was single.

"That's it, we are done Temari." Shikamaru snatched the ring off her finger and walked upstairs. Sasuke sighed,
"Why do you all stay here when you go through things?" Naruto laughed as he put his hair in a ponytail.
"There is booze here. Shikamaru will be back to himself after a night of drinking. Now since that is done, I'll be leaving. See you

Monday." Naruto told Sasuke. As he went to leave Temari grabbed his wrist. He looked at her face, he was devoid of any emotion, he simply started at her like she lost her mind.
"Have you lost your mind?" Naruto said as he stared at her.
"It's your fault, you just want Shikamaru to yourself." Naruto rolled his eyes.
"Let me go Temari." Naruto said and Temari cocked her hand back but the orange haired stood up gaining the attention of the others. He pushed Temari slightly she lost the grip on Naruto's wrist.

"Do not touch him." Naruto looked up at the handsome man he was with earlier, he was encased in his arms protectively. The emotions he could see clearly on this strangers face. Protection, anger, and Love? Love.How could he love him. He hasn't known him for a day, but there in his face he could see it.
"Do not touch what belongs to me unless you wish to die." Naruto shuddered in this mans arms. He felt his broad arms around him and his chest rising and falling. He felt safe in theses arms, Temari pft
"What can you do?" Asuma looked at the man and quickly pulled Temari behind him. He recognized that orange hair immediately, he wasn't a PI for nothing.
"Forgive her Orenji No Akuma. She meant no harm." Asuma valued his life, Naruto looked at this handsome stranger. The Leader of the Akatsuki, protecting him.
"It seems like she did. Angel What would you like me to do? I could kill her?" Angel? Did this demon really call him angel? Naruto's face lightened up.Naruto looked at him all previous feeling left as he felt liberated being with him, in his arms. Just knowing he was such a dangerous man but he held a type of love for him made him smile.

"Let her live." Naruto turned to Temari who was shaking a little.
"But, if you place your hands on me again I won't hesitate to have my man kill you." Naruto purred and the orange haired male looked down at his angel.
"Angel, you're as sadistic as they come." The orange haired male purred into his lovers hair. Naruto smiled.
"They don't call me Chimei-tekina Tenshi for nothing."

Hello, my first ever fan fiction. It's YahikoXNaruto. Hope you

enjoy the first chapter of the book.

Chimei-tekina Tenshi: Deadly Angel
Orenji No Akuma: Orange Haired Demon

Chimei-Takina Tenshi.

"So my lovely Akuma, would you be as gracious as to tell your angel your real name." Naruto said as he sat in his loves car. After the deal with Temari, Naruto found himself following his demon, not that said demon minded. He wanted his angel however he chose to give himself.
"Real name is Yahiko." His demon gruffed out. Naruto hummed and licked his lips. He sat in the passenger seat, watching his love drive. He didn't have many facial expressions, but a demon wouldn't have one. It was Naruto's job to have enough facial expression for the both of them, since he was his angel.
"We are heading to my home, stick close." Naruto purred at the man, moving a strand of his orange hair out of his face.
"Yes baby." They pulled up to this beautiful almost palace, if Naruto could call it that had a black exterior, but not gloomy. It gave off almost a murderous vibe too it. Naruto shivered in excitement. The help quickly came and opened the doors for both Naruto and Yahiko.

"Welcome home, Mr.Pein." Naruto looked surprise at the revelation of his loves last name.
"I'm glad to see you have a guest." The man said as he took the keys and drove the car to the garage. Naruto looked at Yahiko with wonder in his eyes.
"Can you show me around baby?." Naruto smiled at him. Yahiko glare softened.
"After business my little Tenshi." Naruto pouted but took his lovers hand and walked inside. The inside was amazing. Naruto's favorite colors dancing on the walls. Yahiko chuckled,
"I'm guessing black and orange are your favorite colors?" Naruto nodded and smiled.
"Anything I can get you or your guest Mr.Pein?" Yahiko looked at his love, Naruto smiled,
"I'll have a sweet tea if you have it." Naruto said and Yahiko

grunted.
"Nothing for me, bring it to the conference room, Miri." Miri nodded and scurried away. Naruto looked in awe, trying to memorize his new home. He was sure Yahiko wasn't going to let him out of his sight now that he made such at scene at his job.

Naruto stomach growled. He forgot it was like 6am and his stomach is telling him to eat.
"You're hungry?" The still unfamiliar voice to Naruto spoke out. That voice commanded respect and attention. All yield to the voice and you had about 2 seconds go answer before he answered for you.
"I am, all this excitement died down and I realized I'm hungry." Naruto answered calmly.
"What would you like." Naruto smiled,
"Breakfast. Something with Eggs." Yahiko nodded and called a maid.

"Yes Mr.Pein."
"Bring my angel some breakfast to conference room, and make sure to put eggs on his plate, Sue."
"Yes Sir." She ran off and almost ran into the woman with the tea for the blonde.
"Here you are misses." Naruto chuckled to lady.
"I'm a male, but thank you. You can call me Naruto." Miri smiled and Nodded,
"No you will call Naruto by his last name Uzumaki am I understood?" Yahiko Said and the maid fearfully nodded.
"Sorry Mr.Pein." She quickly left not wanting to anger her boss.
They reached the room and it was an olive green. Naruto frowned.
"I know Tenshi, I don't like the color much either, but my father loved it, saying it reminded him of Mother." Naruto smiled a small smile as he set his bottle down on a back table. Whatever is going on he was to be seen and not heard.

Naruto walked up to him and placed his hands around Yahiko's body. He sighed breathing in his scent. He smelt faintly of blood, and oranges. Naruto purred in his embrace. Yahiko ran his hand through his long blonde hair.
"Angel?" Naruto looked up at him with a small smile.

"Yes Akuma." Yahiko placed a hand on his cheek.
"You aren't frighten? I live in the darkness. I've spilt more blood than police officers. Is this a life you want to live." Naruto looked down, he was excited that's for sure, but could he go farther, it's one thing for it to be one night, but Yahiko wanted him for life and quite frankly, he did too. The thought of not being with Yahiko frightened him more than being with him. Naruto looked back up into those beautiful hazel eyes.

"I'm not, and I'll be with you. You cannot live with out your Tenshi." Yahiko softened and pulled Naruto tighter until they heard a knock. Naruto pulled away as the maid with breakfast came in.
"Mr. Uzumaki breakfast." Naruto smiled at her.
"Thank you Sue-San." Naruto walked to the back and began eating. Yahiko looked on as he saw the blonde but called his group to this room. Entering the room one by one they all sat down. Naruto looked around the room. There was roughly around 10 people in here not counting himself. They all looked at Yahiko but one man would look at him frequently as if he wasn't supposed to be there. He was white with green hair looked almost animalistic. He apparently got tired of looking and decided to voice his worry.

"Leader-sama, who's that?" The man asked and the group looked to Naruto. They didn't even know he was in here. A silver haired male threw his knife towards Naruto he was always the brash one in the group. Naruto saw the knife flying towards him, at the last second he turned his head and the knife hit the wall inches from his face. Naruto sickly smiled at him.
"Do you want go?" Naruto pulled the knife out of the wall and walked towards him. Naruto kicked him out of his chair and held a knife to his throat.
"You may be in the mafia, but I'm not scared of anybody in this room." Naruto said pushing the to his throat. The man looked on surprised, the kid had spunk he'd give him that. Yahiko chuckled, oh his angel is getting better by the second.

"Tenshi, stand down." Naruto heard his loves voice and slammed the knife in the table. Making the occupants at the table jump. Who knew this guy was so strong for his body type.
"Tenshi, come." Naruto turned around and went to stand next to his

demon.
"To answer your question Zetsu. This is Uzumaki Naruto. My Tenshi." Naruto smiled and waved at everybody.
"What my lovely Akuma forgot to mention is that i also go by Chimei-takina Tenshi." Naruto smiled sweetly and the silver haired male shivered.
"Deadly angel? Leader-sama, Who is this boy?" Naruto glared at the blue haired beauty, no matter how pretty, do not play with him.

"He clearly said I'm his angel, as in his lover." Naruto said devoid of emotion.
"Tenshi this is the Akatsuki. Konan, Nagato, Hidan, Kazuku, Kisame, Sasori, Deidara, Obitio, and Zetsu.
"Nice to meet you all." Naruto said glaring at Hidan the one who sent the knife is way.
"Let's Spar." Hidan abruptly stood up and Naruto slightly smirked.
"Akuma Hun?" Naruto faced his lover and Yahiko smiled a little.

"I'll allow it. We will all be in attendance. To the training ground." Yahiko said and they all left. Yahiko turned to Naruto and looked at him.
"Are you okay. Do you want this?" Naruto smiled,
"I have to show you why I have the nickname Chimei-Takina Tenshi." Naruto kissed Yahiko on his cheek and let his lover pull him to the training ground.

Hidan stood there with his lover shaking his head.
"Honey, did you really want to try someone with the name Chimei-Takina Tenshi." Kazuku asked his beloved.
"Yes." Was all Hidan said, Naruto walked in the training ground, blonde hair swaying he's still in that white tube top and leggings from his his shift at a bar.
"Do not kill your opponent. Fight." Naruto stood still and Hidan ran towards him and threw a punch. Naruto quickly ducked under and went to punch Hidan's gut. Hidan quickly slid to the side to dodge. Naruto stepped back and smiled. He ran towards Hidan and sent a punch his way Hidan blocked and Naruto sent a kick to the guy which Hidan sidestepped and delivered a punch of his own. Naruto ducked and punched Hidan in the gut stunning him.

"I haven't had this good of a fight since my battles with my

Godfather Jiraiya." Naruto said and Konan looked to Yahiko.
"Jiraiya? Leader-sama, isn't that the old bounty hunter? The one responsible for taking the entire Mafia Ataka 3 years ago, with the help of his lover and their children?" Yahiko nodded and continued watching his lover. Naruto picked up the pace and blocked Hidan fist towards him. Naruto went to kick Hidan in the gut and Hidan grabbed his leg.
"You runt." Naruto smiled and jumped using his free foot and kicked Hidan's chest. Hidan let go of Naruto's foot and stumbled. Naruto took the time to punch Hidan in the gut which stunned him. Hidan tripped over the branch and before he could get up, Naruto was already holding a knife to his throat.

"I would've killed you, be lucky my Akuma said not to." Naruto said pulling the knife away and placing it back on his strap. The crowd looked on Nagato walked up to his surrogate brother.
"Plan on making him a member."
"Absolutely not, just wanted to know that my Tenshi can defend himself." Naruto looked to his Akuma and smiled.
"Akuma, honey I'm hungry." Naruto walked to Yahiko and his glare softened.
"Let's get you something to eat. Everybody meet me back in the room In an hour. Since Hidan's little interruption I didn't say what I called you all for."

"Hai Leader-Sama."

The group watch Yahiko walk away with the blonde talking his ear off.
"Leader-Sama glare softened when looking at Naruto." Kisame said.
Obito took of his mask and looked to Hidan.
"You lost to Leaders lover." Obito laughed, and Hidan glared at him.
"I'm glad he found somebody who can stand beside him." Nagato said with a smile.
"I don't trust the blonde." Konan said as she looked at her lover. Konan didn't trust most people, but the blonde didn't raise any warning or concern. Konan was just overprotective of Yahiko, or so she says.

Konan hates his Tenshi

"Tenshi." Naruto looked up as his lover.
"Yes baby?" Naruto sat in Yahiko's lap as they waited for their food to come.
"Jiraiya is your god father as in Jiraiya Senju?" Naruto nodded, he turned around to face Yahiko. Now might be a perfect time to tell Yahiko about his family, you know since he is in the Mafia.

"My Godmother and Godfather ran a bounty hunting business, they the hired my parents. The only one alive right now is Tsunade. They took a mission without me because of the danger, and the group they were after ended up killing my parents, later Jiraiya suffered the same faith. Tsunade retired and moved to Ame." Naruto looked up at Yahiko, so he could see the emotion in his eyes. Yahiko sighed.
"Sorry Tenshi." Naruto sighed.
"It's okay baby, you didn't know. The blue haired one is weary of me as well. I am new and with a group of criminals I have to tread lightly." Naruto placed a hand on his cheek, I am invested in this and you. I will be by your side for as long as you'll have me."

Naruto smiled and leaned in to press his lips to Yahiko's. Connecting their lips Naruto smiled to himself. Their first kiss was explosive. Naruto loves his warm pink lips on Yahiko's cooler slightly paler lips. Moving as one, time was lost between the two. Naruto pulled away with a smack. He licked his lips and smirked. "Amazing." Naruto ran his hand through his lovers orange hair.

"Mr.Pein, Mr.Uzumaki I have lunch. Naruto hummed and sat in his seat next to Yahiko. Naruto smiled as he smelt Sushi. Chicken teriyaki, Japanese bagel rolls and spicy tuna roll. He licked his lips as the maid brought out spicy mayo.
"Itadakimasu." Naruto Said by himself as he started eating. He savors the taste of it all. Placing his chopsticks down on the empty

plate he looks to Yahiko. Yahiko was finishing his last roll. Naruto watched as those lovely jaws flexed and those chopsticks left his mouth. His strong face. Naruto wondered how Yahiko looked smiling. He doubt he'd see it anytime soon but he wanted to see Everything Yahiko had to offer.

"Tenshi time to go." Naruto would never get use to his name.
"Of course Akuma." Naruto walked behind his demon, who seemed to have a soft spot for him. Naruto walked in and everyone was at their seat. Naruto took his seat in the back and listened, well really he just watched Yahiko as he talked.
"Orochimaru is planning something. He had a rat in this group. Me and Obito took care of him yesterday, but I want you all on alert."
"Leader-sama What are his goals?" Deidara questioned. Naruto sat back, why did that name sound so familiar to him.
"He wants to destroy the Akatsuki, but really he wants to kill me. Something everybody is always trying to do." Naruto felt his heart drop at that. He wouldn't let anybody touch his Akuma if he could help it.

"So we are on the look out for another rat? Konan asked as she looked at Naruto, Naruto looked at her returning the glare.
"Do you want to take this outside?" Naruto asked standing up from his chair. Konan scoffed at the blonde.
"Honey, I'm a lot stronger than Hidan." Naruto laughed.
"So am I." Naruto said glaring just as hard.
"I'll take you on blondie." Konan Said as she stood up. Naruto didn't say anything he just drew and knife and was about to throw
It until he heard his lovely Akuma's gruff voice.
"Tenshi, Konan, stop." Naruto slammed the knife on the table, He sat down and crossed his arms. She better be lucky Akuma looked at him like that or he'd throw a knife at her head. Yahiko sighed, Konan never liked anybody he dated, but his exes never stayed for long after finding out what he does for a living. Granted with Naruto he was straight to the point, he wanted Naruto to know before he fell for him.

"Konan, he already told me of his background. Either calm down or excuse yourself until you can."
"Sorry Leader-Sama." Konan looked to her boyfriend and he just

reassured her.
"Tenshi, watch your temper, you lost it earlier with Hidan as well." Yahiko was scolding Naruto, but he would be lying if he said that he wasn't getting aroused.
"Yes Akuma." Naruto basically purred out.
"Nagato and Konan, run a background on every Akatsuki member, if there is anymore rats I want them taken out understood?"
"Hai Leader-sama."
"Deidara, Sasori. You both are two pick up payment from our various business and are to handle business."
"Hai Leader-sama."

"Hidan and Kazuku, you both are to see how the Heibi home is set up. I want exit, and entries. I want to know that base better than mines."
"Yes Leader-Sama."
"Kisame and Obitio, you all are patrolling the base tonight. Zetsu you have the night off."
"Of course Leader-sama."
"Dismissed." They all left, Konan made sure she shot Naruto a look before leaving. Naruto rolled his eyes and walked to his man.

"Tenshi, must you yell at my whole group?" Yahiko held the same tone in his voice but it was softer. Naruto laughed,
"I'm sorry, I take after my mother in that regard. She isn't fond of me, but I don't blame her, she clearly loves you, and the overprotective spill is just a way she can seem possessive and not get caught by her lover." Yahiko looked down at Naruto.
"She doesn't love me, she loves Nagato. They've been together for almost a year." Naruto sighed,
"Akuma, I know emotions when I see it." Naruto looked up at Yahiko.
"I'll let it go for now, but you should watch her. Out of everyone I trust her the least." Naruto held his loves hands.

"Now baby, where is our room." Yahiko sighed and pulled Naruto to the room they would be sharing.
"How long until you have to work at the bar again? Naruto hummed,
"Monday, so Saturday, Sunday is my day off." Yahiko nodded.

"You should quit." Naruto looked to his lover,
"Why?" Yahiko looked Naruto in his eyes,
"You should, think about it." Naruto didn't like the cryptic answer but he left it alone. He didn't want to anger his lover as evident of the meeting earlier. They reached the room and Yahiko broke the silence,
"We'll go shopping and get you some clothes, I'll doubt you like any of my clothes." Naruto smiled.
"So it's a date? We can have lunch." Naruto hopefully asked and Yahiko nodded.
"Anything for you Tenshi." Naruto smiled and turned to him.

"Then can we bathe together as well?" Yahiko licked his lips at that.
"Absolutely." Naruto smiled as he stripped his clothes and proceeded to the bathroom.

"Check him first." Konan told Nagato.
"Why? Yahiko said he checked him out already."
"Just do it, I don't trust him. I don't want him anywhere near Yahiko."
"Okay, But Yahiko will always be our brother regardless of who he dates Konan." Konan scoffed and looked as all the information on Naruto came up. She started taking notes. Nothing seemed out of the ordinary, but she was going to be the one at Yahiko's side, not Him, she wanted the power, even if he meant she'll have to date the other brother.

"Akuma, honey." Naruto said as he dried his blonde hair.
"Yes Tenshi."
"Orochimaru. I was wondering where I heard that name from in the meeting. He was the one that gave my best friend that bar. I have no idea the business they do behind the scenes because Sasuke never told me. You guys should start there." Naruto looked at Yahiko his brown eyes widened a little more.
"Tenshi?"
"I know I just got you, but I can't think bout loosing you. If I can help I will." Naruto said hugging him.
"Thank you Tenshi." Naruto smiled
"I would do anything for you baby." Naruto kissed Yahiko and hummed to himself.

"So clothes?" Naruto stalked his naked body back in the room. Looking through Yahiko's clothes for something to wear tonight. Smiling to himself he throws on a pair of sweat pants. They was like two sizes two big. Naruto rolled them to for him and threw on a shirt.

"Do I look cute?" Naruto stood with his hands out. His hair in a tight bun, wearing a shirt that reached his knees and the sweats hanging off his butt. Yahiko chuckled.
"Amazingly cute." Naruto smiled and laid in bed.
"Tenshi, it's dinner time." Naruto pouted at him,
"Can we have it in bed. I want to watch a movie." Yahiko sighed and joined him in bed. Naruto chuckled and turned the Tv on. The movie 'IT' was just starting.
"What do you want for dinner. Naruto hummed,
"Whatever you eat, I want sweet tea again as my drink." Yahiko chuckled,
"As you wish." Naruto was watching the movie intently, he laughed as he saw the ten year olds cursing his favorites in the movies are Eddie and Richie.

Yahiko watched the many emotions on Naruto's face. His happy face, his scared face and the content face. He liked that one the best, where his azure blue eyes seemed to be a peace, where his face softened and he looked almost feminine like. Naruto's tanned skin willingly touching his blood stained skin. An angel, touching a demon willingly. How did Yahiko get so lucky. Naruto's breathing evened out and Yahiko knew he was sleep, just as their food came.
"Mr.Pein dinner." Yahiko looked up.
"I'm sorry, my lover fell asleep so we won't be needing this. However, can you have someone make a Kimono for him.
"Absolutely Mr.Pein, what color?" Yahiko thought about what color his Tenshi would look amazing in.

"White. With black flowers."
"Absolutely, Good Night Mr.Pein"

Haematophiliac Tenshi.

Naruto gazed at his lover in the best sleep he's had in ages. He looked towards the window. He has had to guess the time was around 8am. Way too early to shop but early enough for breakfast if you fell asleep on dinner last night. His stomach growled but he would dare move from his spot, warm he was so warm. It made Naruto's heart flutter. He soon fell asleep starring at his lovers seemingly perfect face. Yahiko woke up blonde hair tickling his nose. The time was 10am, he woke up everyday at 10am. He looked to hear the soft snores coming from his love.
"Tenshi." Yahiko called and Naruto groaned,
"Akuma honey 5 more minutes." Naruto sweetly whispered. Yahiko would've said yes if he didn't have things to do today.
"Sorry Tenshi, not today. We have to get you some clothes and talk to your friend." Naruto nodded and sleepily stalked his way to the bathroom to shower.

The maid knocked on the door and Yahiko answered.
"Mr.Pein, Mr. Uzumaki's Kimono, and I know we didn't discuss shoes but, here is shoes better suited for this outfit, based on his size." Yahiko nodded.
"Thank you." She nodded and saw her way out.
"Akuma honey, come shower." Yahiko nodded and stalked his way to his lover. The rest of the Akatsuki sat at their breakfast table.
"Think he kept this one? They never last overnight after being introduced to us." Kisame said pushing around his eggs.
"Well this one beat Hidan in a spar, he might be a keeper." Sasori Said and Hidan grew a tick mark.

"I was just testing him." Zetsu scoffed.
"I'm no combat specialist but even I know that the blonde could possibly beat Leader-Sama in
A Spar." Konan scoffed.
"If he knew what was good for him, he should've left."

"So you could have a chance at My Akuma, no thank you." Naruto came down in the beautiful white kimono with black flowers. Yahiko quickly following after him. Nagato sighed,
"I'm sorry Naruto, she's really protective of Yahiko." Naruto scoffed and even Zetsu rolled his eyes.

"She isn't. She wants him. I can see her emotions loud and clear." Konan looked at Naruto.
"You don't know the first thing about the Mafia, What good are you at Yahiko's side? You don't know a thing about me blondie." Naruto ran a hand through his hair.
"That has nothing to do with your feeling for my Akuma while you are dating the other brother." Naruto said coldly and Yahiko took that time to interject.
"Tenshi." Naruto sighed, there he goes again.
"I'm sorry but if she just admit her feeling we will stop fighting over what clearly belongs to me." Naruto said he grabbed a tea from the fridge and left the kitchen, if he didn't he would've killed her, and had sex with Yahiko in a pool of her blood. Yahiko wouldn't admit this but a pissed Naruto was just so alluring to him.

"Konan, must you fight with everybody I bring home?" Konan looked at him.
"I don't trust him."
"You don't trust anybody he brings home." Zetsu added sarcastically.
"He's hiding something."
"Is he hiding something or are you?" Zetsu Said once again. Konan rolled her eyes, not only is Naruto saying this, but Zetsu was now saying the same thing. Nagato looked at his girlfriend in question. Just what is she playing at?

"I'll be home later. We will meet in the conference room at 8pm. Do what you wish." Yahiko left to go check on his angel. He was pretty pissed off. Walking towards the front door stood his angel but his angel was smoking a cigarette, while tapping his feet.
"Tenshi." Naruto turned around, having gotten use to that voice already.
"Akuma, Sebastian asked me what car you wanted to take but I didn't know." Naruto said extinguishing the smoke from the cigarette.

"We'll take the Audi." Sebastian bowed.
"As you wish."

"Tenshi." Yahiko called out and Naruto turned around and was suddenly pulled into a hug.
"I'm sorry, I'll watch her carefully. What you told me last night, Zetsu Said the same thing today after you left." Naruto sighed.
"I don't want your family to break up because of me, I just want her to stop eyeing what's mines." Naruto said possessively and Yahiko felt his heart swell.
"I'm yours Tenshi." Yahiko leaned down and kissed his lover. Tongues dancing and mapping every nook and cranny in the others mouths.
Naruto clench Yahiko's shirt tighter.
"Baby~." Naruto moaned out and Yahiko pulled a away, a trail a saliva connecting the two.

"Your car Sir." Naruto looked over and smiled at Sebastian.
"Thank you Sebastian." He bowed to him and opened the door for Naruto. He tossed Yahiko the keys.
"See you soon Mr.Pein." Yahiko nodded and sped off with Naruto in the car. Naruto opened his window and the sunroof to let the warm weather in and dance on his skin. He loved the feeling of the sun kissing his skin, the slight breeze through his hair. The way he felt more alive when his sun matched his sunny blonde hair.

"We are here." Naruto opened his eyes to see his favorite store Lux. He was going to have a field day in the store.
"Welcome to Lux, Naruto." Naruto laughed
"Thank you Moegi." Yahiko looked at his angel.
"You shop here?" Naruto looked at the clothes and nodded.
"I do baby. This is my favorite store. Being Sasuke's bartender I earned more tips than any bartender there." Yahiko nodded he believes it. He was looking around throwing clothes in the cart that he thought Naruto would look good in. Naruto looked at the cart, it was filled with clothes, jewelry and shoes.
"Baby, you sure this all okay? I can pay for some of it." Yahiko pushed the cart to the front and had he lady begin scanning all of the clothes.

"Naruto you bought my whole store." Moegi giggled, as she made it

halfway through the cart already.
"It's all because of my baby." Naruto said looking at Yahiko. Moegi looked at him and smiled.
"He's a looker, you better watch him." Naruto laughed and Yahiko glared softened.
"He already is." Yahiko said and Moegi laughed as she bagged the last of the clothes.
"1,245.78 please." Yahiko pulled out a watt of cash out.
"Here's 2k keeps the change. Tenshi." Yahiko called out pushing the cart out. Naruto turned around and smiled at Moegi.
"Bye Mo, hang in there.'"Moegi nodded.
"Bye Naruto."

"Lunch?"
"With your friend Sasuke and his Girlfriend." Naruto nodded, who the hell was Sasuke seeing , he had no idea. They pulled up at Taka, the only 24 hour bar in Konoha. Working now was TenTen and Ino.
"Hello Naruto, and friend. Sasuke is upstairs." Naruto nodded and grabbed his loves hand and walked upstairs. Walking he saw Sasuke sitting with a brown haired girl. She smiled and bowed to the two.
"I'm Miyah Yuki." Naruto looked at the girl, she was pretty, definitely Sasuke's type, submissive and quiet. Cute and most likely a beast in bed.

"I'm Naruto and this is my boyfriend Akuma." Naruto introduced his lover and Sasuke came out with the food.
"Your lovers name is demon." Yahiko looked at him.
"Not my real name, only Naruto and my group knows my real name." They all sat down and began to ate.
"Sasuke I'm quitting." Naruto Said but smiled.
"But we are still friends, I'll stop by." Sasuke chuckled and nodded.
"I had an inkling after you and Temari fought that you would say that." Naruto smiled as he turned his attention to Miyah. She and him seemed to click, Yahiko and Sasuke began to talk in a his voice.
"What does he do?" Sasuke looked in his eyes.
"Everything, murder, scamming, drug even smuggling. He is trying to take over every aspect you own. Yahiko tilted his head.
"How do you know?" Sasuke looked at Naruto and took a deep breath. Naruto caught that look and saw the guilt on his face, he tilted his head and listened, while watching Sasuke very carefully.

Miyah left at this point uttering something and leaving.

"I'm on the inside. My brother went missing after joining, so infiltrated the base and begin working for him while slowly looking for my brother, since this brother ran off and didn't tell me anything. Yahiko sighed,
"Sorry that was my fault." Sasuke nodded as he cleaned the dishes and for a moment you could see the hesitation on his face before handing Yahiko a folder.
"This is all I know, right now." Naruto looked at Sasuke then to Yahiko. He saw the hesitation clear as day, He grabbed the folder and tossed it out the window.
"Tenshi." Yahiko called out, Naruto pinned Sasuke to the wall, holding a knife to his throat.

"Look outside Baby." Yahiko looked out the window. The folder exploded luckily nobody was walking by the folder or they would've died.
"Sasuke, What are you doing?" Naruto said pressing the knife closer to his neck. Sasuke didn't say a word.
"Answer my Tenshi, or I'll kill you." Naruto licked his lips, blood, yes blood.
"I don't know what your mean. I was told to hand you that folder that's all." Naruto rolled his eyes.
"Sasuke."
"I can't say." Sasuke looked with a far away look, he really couldn't say.
"Sasuke, you are my best friend but I will not hesitate to kill you for the sake of my Akuma."
Sasuke looked at his friend and shrugged his shoulders,
"I'm ready to see my family Naruto." Naruto looked at Sasuke but talked to Yahiko.

"Akuma?" Naruto asked and Yahiko nodded.
"Yes Tenshi." Naruto looked on sadly.
"Forgive me Sasuke." Naruto sliced his throat, he sliced his best friends throat. The thing is, he enjoyed it, he liked how the blood splattered on him. Warm, it was warm. Stirring a fire within his loins. He licked his lips tasting the irony taste. Naruto shuddered as his face was hit with a few splashes. Sasuke's body slumped against

the wall and the blood was pooling around Naruto's feet.
"Tenshi." Yahiko called out, he believed his lover was stuck like that because he killed his best friend. Little did he know that his little angel was a Haematophiliac.

"Yes Baby." Naruto turned around, he practically purred.
"Are you o.." Naruto pushed his lover down on the couch. Yahiko could feel his lovers emotions clearly. He let Naruto's bloody lips connect with his. Moving his lips in times with his lovers Naruto laced his hands in Yahiko's orange hair. Naruto pulled away seemingly satisfied for now.
"Is my Tenshi a Haematophiliac?" Naruto smiled.
"Yes Akuma." Naruto purred as he looked at the blood pooling on the floor.
"Go wash up. I'll deal with the mess." Naruto nodded and stalked his way to the bathroom. Yahiko ran his hand through his hair and began to clean up this mess. He placed Sasuke in his bed and cleaned up the blood. When he was done he made sure to erase his and his loves presence in the house and bar.

Naruto came out the shower but raided Sasuke's house. With gloves of course, can not allow the police to get his fingerprints. He found what Yahiko wanted walked back towards him. When he saw a little blood on his lovers face, he proceeded to licked it. Smiling at Yahiko Naruto kisses his cheek and pulls away.
"Here's what you need baby, let's go." Naruto said and Yahiko couldn't agree more.

XXX Tenshi X Akuma

The ride home was eventful to say the least, Naruto blonde hair was flowing with the windows down. It was now approaching sunset. Naruto was still shuddering after being bathe in Sasuke's blood, to have killed his best friend he was sure to mourn his death, but the excitement and arousal was still presence.
"Tenshi." Naruto turned to Yahiko with Lust in his eyes. Yahiko knew his lover was excited, and he wouldn't be able to last the drive home.
"I see." Yahiko pulled over into an alley and as soon as he put it in park Naruto jumped him.
"Akuma I'm sorry, I tried to calm down but I can't." Naruto pulled Yahiko into a kiss. Deeply kissing him tasting the rice and beef they had for lunch. Yahiko moved his hands to Naruto's thighs. Gripping them hard enough to bruise, making Naruto moan.
"Ah-h Babyy." Naruto pulled away panting from the kiss. Licking his lips, he begins sucking and nibbling at Yahiko's neck.
"Ten-nshi." Naruto hummed as he licked the purple mark bruising on his loves neck.

Yahiko pulled his lover back into a kiss. He slide his hands up and grabbed his Tenshi's ass. Naruto groaned, he wasn't calming down. He wanted Yahiko, all of him. Yahiko pulled away and ghosted his breath along Naruto's neck. Naruto bent his neck to allow easy access for Yahiko. Yahiko licked his lips, lightly licking his jugular, feeling it pulse under his tongue. Yahiko bit down hard, almost drawing blood, he would've but wanted to soothe his Angel, Naruto laced his hands in his hair and dropped the chair down. He stripped out of his Kimono to reveal nothing underneath, not even underwear.

"Sorry Akuma but, I need you." Naruto scooted Yahiko's chair back and take off his pants. You could see clearly the big erection Yahiko was sporting through his boxers. Naruto licked his lips and rubbed

his hand over the enlarged member. Yahiko's breathing labored, as he tried not to moan. Naruto slowly pulled his boxers downs watching as Yahiko's 12 inch member slapped his chest. Naruto licked his lips at that and proceeded to grab Yahiko's member. "Ten~." Yahiko moaned out as he felt Naruto's grip tightened on his member.

Naruto hummed and licked the tip. It was amazing to Naruto, the sweet and salty mix made Naruto moan. He wanted more, more. Naruto licked and slicked his entire member.
Then he slowly took Yahiko's member into his warm mouth.
"Fu-uckk." Yahiko groaned. Naruto ties his hair back and bobbed. Yahiko grunted, Naruto felt so warm. His plump pink lips gliding up and down on his member, expertly taking his long and thick member, better than any previous lover he has ever had. Naruto loved the seemingly hard member in his mouth. Making his mouth form to accommodate the intrusion.

Yahiko laced his hands in Naruto's hair and thrusted into his mouth. Not deep he didn't want to choke he angel but he has reached his limit. He needed to cum and what a better place to cum than in his angels warm amazing mouth. Naruto felt his member leak and drip painfully. He was so hard, he needed to be fucked, hard. Yahiko grunted as he felt his member explode in his Tenshi's mouth. Naruto moaned and swallowed the seemingly endless load his love decided to grace him with. Naruto pulled off Yahiko still hardened and slick member with a pop." Naruto moaned in delight and smiled.

Naruto looked at Yahiko and kissed Yahiko lightly as he repositioned himself on his member.
"Tenshi? You aren't stretched." Naruto groaned almost wanting to throw and tantrum.
"Look I need you." Naruto pouted as his member leaked at the anticipation of being filled. Yahiko looked and flipped their positions, Naruto was now laying on the seat with Yahiko on top. Yahiko places his fingers at Naruto's lips. Yahiko didn't have to utter a work, Naruto immediately licked and sucked the four fingers. He made sure to coat them in saliva, he wanted Yahiko now he didn't care about the pain he just wanted to feel him.

Yahiko placed his first finger in. Naruto moaned and wiggles

against the finger.
"More Akuma More." Naruto moaned as he felt the second finger enter and stretch him a little further. Yahiko looked up and saw the lovely expression of his lover. Face flushed, his eyes falling shut as he moaned in pleasure, his bangs falling against his forehead. He looked more heavenly than usual. Yahiko hummed and thrusted The third finger in and licked the base of Naruto's smaller member.
"Ah~ Fu-uckk Akuma, Baby." Naruto placed his hands on the head rest in the car gripping it lightly.

Yahiko hummed and thrusted the fourth one in. On that thrust he felt Naruto come close to Cumming.
"Fuckkkkkk Yes Baby." Naruto thrush against his fingers. Yahiko smiled and pulled his fingers out. Having memorized the lay out of his love he places his member at the his entrance and thrusted in rubbing right against his prostate.
"Oh-Hhh my God Baby." Naruto panted, he felt so full. He was panting and felt so much hotter. His mouth was hanging open he felt like a dog in need of water, Yahiko being the one to be able to quench his thirst.

Yahiko stilled inside his lover.
"Tight." Yahiko grunted out as he held onto Naruto's thighs. Naruto placed his hands on Yahiko's his chest. Yahiko looked at him softness on his face, no smile but Naruto was sure this is what his smile looks like and he felt loved, something no friend could ever reciprocate. Naruto looked at Yahiko,
"Move please." Naruto basically pleaded, and Yahiko nodded. Yahiko pulled all the way out and thrusted in. Naruto moaned, Yahiko kept repeating the process agonizingly slow. He wanted to be fucked, like a dog in heat. He understands that Yahiko wants to go slow to get him adjusted but he doesn't want that. Groaning Naruto opens his mouth,
"Yahiko, please fuck me faster." There was so much desperation in Naruto's voice, Naruto was basically begging. Yahiko was stunned that he actually called him by his name, Naruto always called him either Baby, Honey or Akuma." Yahiko nodded to his lover and moved faster.

"Ah Yes baby like that." Naruto was moaning as Yahiko plunged

into him deep with each thrust but Naruto wanted it deeper. Naruto started meeting his lovers thrust and swore on the first thrust down he saw stars, Naruto believed he saw life after death.
"Oh Y-Yes Baby. Fu-uck m-me." Naruto wrapped his arms around Yahiko's neck pulling his body to his.
"Tenshi～." Yahiko grunted as he felt Naruto's walls milking him for everything he had. The sweaty bodies moved as one. Their climaxes approaching, and approaching soon.
"Baby, I'm going to cum." Naruto panted into his ear. Yahiko grunted,
"Me too." Naruto started pumping his member to reach his baby in climax.

A few more sloppy thrust and Naruto came all over Yahiko and the seat.
"Yes Baby." Naruto shuddered and believed he met Kami with that climax, It was the best one he's had in his entire life. He was panting coming down from his high, while Yahiko came inside painting Naruto's pink walls white.
Naruto tightened on his member when he climaxed, coaxing Yahiko to join and he did. He pulled out his member quickly softening. Yahiko fell to Naruto's side, he was better than any previous lover. Naruto rubbed Yahiko's hair as Yahiko rested his head on his loves.

"That was amazing." Naruto giggled, he felt so alive with Yahiko. Yahiko nodded his head in agreement.
"We should get dressed." Yahiko Said But they didn't move. The sat there content to being in each other's company. Naruto loves this man, I mean he had too if he killed best friend for him. He wouldn't dare tell Yahiko so early he loved him, but he did. Yahiko heard his phone ringing and quickly looked for it.

"Hello."
"Leader-sama, there's a lead I've already called a meeting We'll be in the conference room."
"Thank you Sasori, we are on the way."
"Hai."

Naruto pouted, But put his Kimono back on. Yahiko looked in the many many bags in the backseat and tossed Naruto some lacy blue panties. Naruto looked down.

"What are these for?" Yahiko looked to Naruto,
"You left our house without underwear on." Naruto nodded.
"Mines were washing still and I don't wear boxers."
"I don't want anybody to see you how I see you understood. You will wear clothes in the presence of others. You will always have underwear on, especially when wearing something that short."
Naruto smiled and put on the underwear.
"My apologies Akuma, I will not leave the house without underwear on." Yahiko grunted and began driving back home.

At the red light, Naruto stole a kiss from his Akuma. He sat back and looked as he saw the beautiful sunset. It was now turning dark with the moon and stars the only help to keep
It illuminated in this dark world. They pulled up into the house with Sebastian greeting them.
"Welcome home, Mr.Pein, Mr.Uzumaki." Naruto smiled.
"Thank you."
"Sebastian, have Miri and Sue place all the bags in my room in the spare dresser in there. The you take this car to the wash in the morning." Sebastian nodded and went to drive this car to the back.
Naruto laced his hands with Yahiko's as they walked to the room.

"Hey Uhm it's Yasin-San correct? Naruto broke away from Yahiko while he talked to the maid. Yahiko continued to the room.
"Yes Mr. Uzumaki." Naruto smiled.
"Can you bring dinner up to Akuma's room. We'll both have his favorite, I'll take a tea, he'll take his usually."
"Absolutely,and Mr.Uzumaki, I'm glad you could make Mr.Pein so happy." Naruto smiled and felt his heart swell with happiness, Sebastian told him that earlier today.
"Thank you Yasin-San." Naruto stalked his way to the conference room, not wanting to show up too late.

The Rat Is Found.

Yahiko made it to the room first, he walked in and everybody seemingly calmed down. Konan looked around and seemingly smirked to herself, because she didn't see the blonde with him.
"Leader-sama where is your blonde? He didn't leave did he." Konan asked and just then the doors opened again.
"No honey, I'm still here. Ready to admit your crush since we are all here?" Naruto hummed as he stalked his way behind Yahiko. He placed his hands on his shoulders, exposing the hickey he gave Yahiko durning their love making.
"I made this mark because Akuma is mines." Konan see's that and her glare darken, she looked away with a look of distaste. Kisame looked and rolled his eyes, looks like Zetsu was right, he needs to stop doubting everything that weird looking man says.
"Tenshi." Naruto smiled and placed a kiss on his cheek.
"I know, I'll leave her alone. I'll go sit in the back." Naruto went to walk to the back, but Yahiko pulled him into his lap.
"You'll sit here, so I can keep an eye on you. Naruto smiled and nodded. Sitting in between Yahiko's lap almost as if he was a child. As those hands rested on his thighs, it was enough to make him shudder. Konan looked on with hate and distaste. She wanted to be there, to be at his side. To command the respect that he does for only being around for two days. She just wanted the power and if being with Yahiko was going to make her powerful she wanted him.

"What was so important Sasori." Sasori stood up and began to talk.
"I have a rat in Orochimaru's base, Name is Itachi. He told me that Orochimaru has a female getting close to his brother that Orochimaru is playing puppeteer with. Naruto stiffened in his lovers lap. Please please don't let it be Sasuke, he could've just told them, he could've still be alive. Naruto slightly calms when he feels Yahiko's hands run up and down his thighs.
"What was his name?" Naruto closed his eyes to calm himself he couldn't cry here.

"Sasuke Uchiha." Naruto sighed and clasped his hand together.
"My sources tells me that Orochimaru places bugs on them, sort of like a silencing thing. If he uttered the name Orochimaru they were to die." Yahiko nodded, it made sense, he always said He and never once said Orochimaru. Naruto sighed in relief that he did what his friend wanted him to do.
"What was does the girl look like?" Naruto questioned and Konan scoffed, Naruto disregarded her.

"Brown curly hair, brown eyes, and she's is said to be very beautiful. Going by the name Miyah. Although we are not sure that is her real name." Naruto looked to Yahiko and they shared a look of understanding. Naruto stood and cleared his throat.
"Thank you Sasori." He nodded and sat down.
"When me and Akuma went to see my friend who name was Sasuke, the same Sasuke Sasori Just Said." They all was listening intently to Naruto. Konan, however butted in before he could finish.
"Why are you talking?" Naruto sighed and just shut up, he wasn't trying to anger his Akuma.
"Because I told him too Konan. You need to calm down." Konan nodded her head and went back to glaring at Naruto.

"He was with who we thought was his spouse but it was Miyah, same description. We talked while Akuma talked to Sasuke. She was very convincing, saying she just worked at the bar down the street the one called, Snake. She said she met Sasuke when buying liquor from the same vendor, anyways back to it. She is convincing, so do not let her fool you if you encounter her." The group nodded, seemingly surprise by his leadership skills. Konan was angrier by the second.
"Sasuke handed Akuma a file but he made the mistake of looking at me before he did. I grew up with Sasuke, I know him better than anybody, I knew there was something wrong with the file, I tossed it out the window and as soon as the sun hit it, it exploded." Deidara looked shocked,
"Somebody is skilled in bombing like me?" Naruto nodded.
"I'm guessing because I didn't smell any gas that's usually left over when making a bomb." Konan started questioning him again, she wanted to know just who this person was.

"How do you know any of this." Naruto looked at her like was she testing him right now? Like did he have to kill somebody else?
"My parents and God parents were Legendary bounty hunters." Konan scoffed.
"So?"
"Who do you think put away the whole Ataka group?" Naruto questioned.
"Why do you think I'm so skilled in hand to hand?" Naruto glared at her,
"Why do you think I can stand in a room full of criminals without being scared?" Konan looked away, she could feel Yahiko's glare on her.

"I am not new to the underground. I have been trained by the best bounty hunters to ever grace this earth. I was trained to protect myself, since my parents wouldn't be with me forever. I do not question your credentials, do not question mines." Naruto said as he calmed himself. He looked to the group.
"Does anybody have any questions?" The group shook their head no.
"Akuma?" He shook his head.
"So Ill continue, I held Sasuke at knife point. He said something about his brother going missing and him doing some type of espionage mission. When asked why he did it, at first I thought it was because he was being defiant. However after Sasori he couldn't tell us because if Orochimaru. However that didn't save him, I ended up killing him." Naruto stopped and remembered the blood splashing in him, coating him in red. He shuddered and looked up.

"Me and Akuma cleaned the house and erased our presence, but Akuma has a file to go over with you all." Naruto said as he sat down and Yahiko stood up.
"Excellent Tenshi, leading off of him, my Tenshi found this in Sasuke's apartment." Yahiko opened the folder and inside was the pictures of everyone in Heibi.
" I want to know everyone in these folders, their names, age, spouses and children. I want to destroy Heibi from the ground up." Naruto was excited, blood, destroying things usually meant blood.
"Hai Leader-sama." They all said in unison.
"Dismissed, all but Nagato and Konan." Konan Shot Naruto a smiled but he just chuckled and Showed Konan his same mark on his neck.

He stalked back to Yahiko.

"I have dinner in the room, I'll wait to eat until you finish." Naruto kisses Yahiko on the lips.
"You can eat if you're hungry." Yahiko held onto his waist.
"I'll wait, I'll shower without you though. See you soon baby." Naruto squeeze Yahiko's member and walked away, his blonde hair flowing.
"Yes Yahiko?" Konan said walking up to him. Smiling like she wasn't just glaring at Naruto.
"What is your issue with Naruto?" Yahiko disregarded his Tenshi's nickname. Konan face slightly twitched.

"I just don't trust him."
"You don't trust anybody Yahiko has by his side. You chased off all of his exes." Nagato said standing by Yahiko.
"Why can't you let me be happy?" Yahiko said and Konan looked at him.
"I do want you to happy but....."
"You want him to be happy with you next to him." Nagato said. He wasn't upset, their relationship went downhill after Yahiko succeeded Madara. When Nagato and Yahiko were being decided for the leader spot many thought Nagato was going to win. It was around that time that Konan began hanging out with him more and flirting with him. Nagato decided that he didn't want to be a leader, he's a better follower. Konan didn't not like how he gave the power to Yahiko, she believe it should've been him. Nagato didn't get the conversation until now.

"Konan, you know I was never one for women." Yahiko said as he sighed.
"I don't want you, I just want the power. Madara wouldn't let me run because I was a female." Nagato sighed,
"No Konan, he didn't let you run because you aren't a good leader. That test he did when we had a group to lead for a week you were the only one to fail it, that's why." Konan rolled her eyes.
"I just don't like how he came in and all of a sudden he can lead a meeting." Yahiko laughed, like heartily he hasn't laugh like that since Madara was around.

"Konan, Naruto is smart. He's amazing he beat Hidan in a match,

without breaking a sweat, not even you can do that. He may be on par with me and may have even surpassed Madara if he was still alive. He even killed someone for me. He's known me for all of two days and killed his best friend for me." Nagato smiled and looked to Konan. Yahiko's face tightened.
"Konan, if you can't get along with Naruto, I'll move you to one of our overseas homes." Konan stood up straighter.
"You can't be serious, Yahiko."
"I am, all other Akatsuki members trust him and gave him their full undivided attention. While he was talking. Deidara even asked a question. The only who seems to have a problem with him is you." Konan scoffed and turned around.
"Goodnight." Yahiko sighed and sat on the table. Nagato joined him.
"I don't trust Konan. Get Zetsu to watch her, I feel like this was the last straw for her and she'll do something."
"I will, you might want to go see your Tenshi, if I'm not mistaking he has a temper on him." Yahiko laughed
"You aren't, good night." Nagato laughed and walked behind him.
"Night."

"Tonight was the last straw. I'm coming to Heibi."
"Kukuku, I'll see you soon Ko-Chan."
"One condition."
"What is it?"
"We kill the blonde and Yahiko."
"As you wish." Konan chuckled as she left in the night. Not knowing, Zetsu and Obito heard the whole thing.

"I guess she was the rat."
"I guess so, we will tell leader tomorrow." Obito said with a sigh.

Akuma teaches his Tenshi

Konan walked in the Heibi base. Her blue hair bouncing as she walked.
"Morning Konan." She smiled,
"Morning Judo." She stalked her way to Orochimaru's office.
"Orochimaru-San." Konan walked in to see his assistant Kabuto and the brown haired woman Miyah.
"Nice of you to join us, lock the door." Konan did as she was told and walked towards them.
"Tell me everything." And so she told Orochimaru everything. Turning on her adopted brothers for this need of power. She wanted so much to be in charge she disregarded any and everything, Orochimaru was banking on this when he approached Konan shortly after Madara's death. Konan truly believed Orochimaru would give her the power she thought she deserved. Orochimaru smirked, that blonde sounds like trouble if he killed his best friend for his lover. She was angry and Orochimaru wasn't one of the best if he didn't play on that anger. He smiled, he had the Akatsuki right where he wanted them. Or so he thought.
———————-

"I see, you sure she was on the phone with someone from Heibi." Yahiko questioned Zetsu and Obito. Naruto standing next to him with his hands folded.
"Yes. She wants you and the blonde dead." Zetsu Said and Yahiko sighed. He should've listened to Naruto when he first brought it up.
"Obito, you track her, search her room for any connection between her and Orochimaru. Do not go easy on her, she was trained by Madara after all."
"I'm on it." He left and Zetsu kneeled to him.
"You finish searching the Heibi members, but send Hidan and Kazuku here."
"Yes, Leader-sama." Naruto stood there quiet, this is the one thing he didn't want to happen. Yahiko sighed,

"I'm sorry Akuma. It's my fault." Naruto said looking away from him.

"It's not your fault, Tenshi come." Naruto turned around and sat in Yahiko's lap.
"I said I didn't want to destroy your family and I ended up doing it." Naruto said looking at his Akuma's hazel eyes. Yahiko placed a hand on his cheek.
"It's not your fault, she wanted power. She couldn't get that here so she left. We will kill her, then we can have sex in her blood." Naruto shuddered and moaned at that.
"Better now?" Yahiko whispered in his ear as he heard footsteps approaching.
"I'm horny now, you'll have to take responsibility after this." Naruto purred into his ear as he placed Yahiko's free hand on his hardened member. Yahiko kissed his cheek,
"I will my Tenshi." Naruto hummed and placed his head on Yahiko's shoulder.

"You called Leader-Sama." Kazuku said kneeling with Hidan.
"I'm sure you have heard the Konan is the rat."
"Hai." They said in unison.
"I want you two to capture her and bring her back alive. Out of the group you two have the most chemistry because you date." The two nodded and Yahiko continued.
"Put her in holding cell 5 my Tenshi will have a field day with her." Hidan shivered at that, he's seen the room all of once but it still haunts his nightmares.
"Anything else Leader-sama?" Kazuku asked.
"If you run into any Heibi member bring them as well. You're dismissed." The two nodded and left. Naruto looked up at Yahiko.

"Akuma what's holding cell five?" Naruto ask and Yahiko hummed, "Would you like to see?" Naruto nodded and Yahiko took him to another side of the base. They walked through the garden which was beautiful, Naruto needed to walk through here once in a while. Naruto looked at this building, it was white, which off set the black house they just left from. Naruto marveled at the contrast. They walked in and Kami it was like a dungeon. The white was almost as if it was a Kami letting them know, you have reached the end. Each

cell had a cuffs hanging and a table, a slot for the food and a toilet. No bed, or tile, they laid in dirt. He was shown the last room, the one Konan would be held in, when she was captured. This one Yahiko walked in and Naruto followed. The same cuffs and toilet but this one had a closet.

"Open it." Naruto did what he was told and opened the doors, various equipments used for torture was hanging. Different knifes and painful weapons. He smiled as his hands danced across the weapons. He was sure to make as much blood splatter as he could, then as soon as he was done, he was going to fuck Yahiko.
"Tenshi." Naruto turned around and smiled,
"I love it, the prefect present for a Haematophiliac." Naruto walked to Yahiko and placed his hands on his chest.
"I love it. Thank you." Naruto laid his head against Yahiko's chest.
———————————

"What happened here?" The cop asked his partner.
"Sasuke Uchiha, killed a day ago. Body was discovered by his subordinate Sakura Haruno today." This guy puffed out his cigarette.
"Any clues or motives?"
"None Shikaku. It clean, a little too clean."
"You don't think Inoichi?"
"I do, either Heibi or Akatsuki." Inoichi said as he went to walk out.
"I never really liked how Ino hung out at this bar anyways." Inoichi Said right before he left.
"Troublesome." Shikaku follows his partner, telling Iruka too look for more clues while he left.

———————————————-

"Tenshi, I'm going train you on how to talk to the cops." Naruto sat in the bed curled up with Yahiko.
"They found Sasuke already?" Naruto asked and Yahiko nodded.
"You are to lie but tell the truth, be confident but not too confident. Do not cry, flags will immediately be raised." Naruto is listening intently.
"I was with Sasuke but I left him alive." Naruto nodded.
"If they want a lie detector. Ask for a lawyer." Naruto nodded.
"Let's try okay."

"Okay." So Naruto looked at Yahiko, he is face showing little expression.

"Good facial expression." Naruto nodded and Yahiko began talking.
"Your friend Sasuke was found dead. Witnesses say they saw you and an orange hair male leaving the stairs last."
"Officer, I admit me and my lover ate lunch with him and his lover to catch up. We left him and his girlfriend there because we wanted to have sex." Naruto said fluently, Yahiko chuckled.
"Tenshi, I doubt the officers want to hear about our sex life, but I supposed that's fine." Naruto smiled and moved a lone strand of hair behind his hair.
"Okay So you won't mind taking a lie detector?"
"Sorry officer, you have no means of keeping me detained, I wish to leave, but if I can't I want my lawyer." Naruto said and Yahiko nodded.
"Excellent Tenshi." Naruto smiled, he loved when Yahiko's praises him.

He laid back down with his Akuma. He sighed and closed his eyes. He felt so calm in his demoms presence. Yahiko ran a hand through Naruto's hair, and Naruto hummed and smiled in content.
"Akuma." Naruto said sleepily.
"Yes Tenshi." Naruto yawned and repositioned himself. He snuggled into Yahiko's neck. He threw his left leg on Yahiko as well as his left hand. Bringing the covers over both of them. Naruto smiled as he felt a lot more comfortable in this position.
"I love you." Naruto drifted off without hearing the words from his lover, but he didn't have to hear it. Naruto knew, his demon loved him back.

Yahiko heard the soft snoring of his lover and joined him in sleep. He brought his loves body closer to him. He loved him too and he knew Naruto knew he loved him, but he will still say it to his blonde.
"I love you too Tenshi." Yahiko said out as he finally drifted off to sleep.

_____

"We need Naruto Uzumaki and his Mystery lover now." Shikaku said

as he walked out of Iruka's office.
"Father." Shikamaru Said smoking a cigarette in his fathers office.
"Where is Uzumaki Naruto Shikamaru?" Shikamaru sighed the blonde was a wild card.
"Why, Naruto quit yesterday." Shikaku sat down and began looking up an address on the blonde and found nothing.
"He may have killed Sasuke."
"I doubt it, but I'll text him. He'll come. When do you want to see him?" Shikaku ran a hand through his hair.
"Tomorrow whenever he can." Shikamaru nodded and sent Naruto a text.

"Dad, maybe you look at the brown haired woman he was seen with?" Shikaku looked at his son.
"Sit down with my sketch artist, we didn't know of a brown haired woman."
"Anything for you to leave Naruto alone." Shikaku rolled his eyes as his son stalked his way to the Sketch artist.

Tenshi being interrogated.

Naruto looked at his phone, he received a text from Shikamaru. He groaned he forgot Shika's dad and Ino's dad were detectives. Yahiko was still sleeping soundly in the bed. Sending Shikamaru a quick text back Naruto straddled his lover. Placing his hands on Yahiko's bare chest, he hummed in content. He leaned down and started leaving small kisses along his chin and neck. Licking and nibbling the free and exposed skin. He could feel Yahiko start to stirr. Pulling away with a smiled Naruto places a hand on Yahiko's cheek.
"Morning Akuma." Naruto leaned down to kiss Yahiko on the lips. Yahiko sleepily kissed Naruto back.
"Tenshi, What is it?" Yahiko Said as he held Naruto to him by his waist.
"Shikamaru texted me. His dad is lead detective on Sasuke's case. Wanting to question us both." Yahiko groaned, he didn't think it would be the next day.
"You want to do that now?" Yahiko asked his lover.
"We can After we have hot hot shower sex." Naruto whispered seductively into Yahiko's ear. Yahiko chuckled,
"Absolutely."

———————

"He's coming dad and bringing his lover." Shikamaru Said filing his dad's paperwork.
"Thank you Shikamaru." Shikaku walked to holding cell where they already had Miyah. She sat there with her curly brown hair in a bun, she was still wearing her pajamas. Not that she cares.
"Miyah, you know why we have you here?" She smiled slightly,
"I believe the Uchiha is dead." Shikaku nodded and she sighed.

"Sasuke was a kind soul. We were friends. We worked down the street from one another."
"Frankly Miyah I couldn't care less. What happened the day he was murdered?" Miyah rolled her eyes.

"We had lunch with his friend Naruto and Yahiko." She started, "Me and Naruto clicked and started laughing while Yahiko and Sasuke talked. I left because I had an emergency at the bar." Shikaku nodded.
"I left and everybody was alive." Miyah Said as she sat back in her chair.

"Have you tried to contact Sasuke since then?"
"No, I forgot about it until this morning. When I called the bar Sakura said he was dead."
"Why did you call the bar and not his phone?" Miyah rolled her eyes.
"Sasuke was a private man. He had secrets, and i was one of them." Shikaku nodded.
"You're free to go, I'll be calling you back.
"Okay."

Shikaku felt like she was lying, but hell if he could go off of instincts.
"Iruka." Shikaku called out. Said man walked in the interrogation room.
"Yes sir."
"I want all the information you can dig up on Miyah Yuki."
"Hai, captain." Shikaku went to smoke a cigarette, he was stressed.

Naruto walked out of the shower drying his hair. It was now the afternoon.
"Any longer and we would've turned to prunes." Yahiko chuckled and brought his arms around a naked Naruto.
"Is it so bad that I enjoy your body?" Yahiko whispered in Naruto's ear. Naruto smiled to himself.
"I supposed not." Naruto turned around and placed his hand on Yahiko's cheek and brought him in for a kiss. Naruto pulled away with a smirk,
"Now baby, what should I wear." Yahiko chuckled and picked a bad ass outfit out for his Tenshi. Naruto stood in front of the mirrors and smiled. he wore a black cat suit with long sleeves. He wore white earrings and a bracelet with White sandals.
"Hair up or down?" Yahiko stood behind Naruto in his matching black suit.

"Down." Naruto smiled. "Down it is then." Naruto stalked his was downstairs to grab something to drink. Yahiko finished getting dressed and walked downstairs, to his blonde.
"Hey baby, what if I wanted to get red streaks in my hair?" Naruto asked grabbing his lovers hand. Yahiko thought on it, he would Look amazing.
"I think you'd look cute, add some red in your hair so people know how dangerous you are." Naruto smiled.
"Thanks Baby."

"Mr.Pein, Mr.Uzumaki, what car today?" Naruto looked to Yahiko.
"We'll take the Jaguar." Sebastian nodded and went to retrieve the car. Naruto rested his head on Yahiko.
"Tenshi." Yahiko called out, Naruto smiled. Yahiko's voice is music to Naruto's ears.
"I just want to always be touching you." Naruto said as Sebastian pulled the car around.
"Let's go." Naruto nodded and go in the car.
"See you soon Sebastian." Naruto called out and Sebastian nodded.

———

"I don't get it Master? Why don't we just say they killed him and send them to jail?" Miyah asked Orochimaru as she returned to the base.
"I want to kill them and seemingly take over his part of town. If they are arrested, someone will take over faster than the leader being killed. If we kill him and send our people in before they could rebuild themselves then we will be able to gain more control of the land. Miyah nodded and walked to her seat next to Kabuto.
"Miyah, you should be more worried about our business then the Akatsuki." Miyah rolled her eyes.
"Kabuto, don't forget. I made you cum." Miyah whispered slightly and Kabuto smirked while pushing up his glasses.
"Believe me, I won't." Miyah chuckled and continued her work.

———————

"Shika-Kun." Naruto called out placing his sunglasses on his hair. Shikamaru smiled and looked towards Naruto.
"Naruto, you look good." Naruto could feel the aura darkening and chuckled.

"Calm it Shika, my baby will not tolerate others looking at what's his." Yahiko came up and pulled Naruto to him. Shikamaru sighed.
"You would be In a relationship, now that I'm single." Naruto laughed,
"You missed your shot Shika-Kun. Anyways where's Shika-San?" Yahiko looked at his lover.

"How many people do you know?" Naruto smiled but shrugged.
"A lot. Some important, some unimportant." Iruka walked out stressed as hell, Shikaku was running him ragged. He looked up as he ran into Shikaku desk.
"Be careful Iruka-Nii." Iruka thought he was hallucinating, when was the last time he heard that voice.
"Naruto?" Iruka stood up and looked at him. Naruto stood there smiling,
"How are you?" Naruto asked calmly and Iruka ran and gave him a hug.

"I missed you, Kakashi said that you quit the police academy." Naruto chuckled.
"I did, I'm in between jobs right now." Naruto said as Iruka pulled away. He looked at Naruto seemingly aged face.
"Why are you here?" Naruto smiled and shrugged.
"Shika-San wished to speak to me and my lover Akuma." Yahiko held out his hand and Iruka shook it.
"Nice to see someone able to handle Naruto's tempers." Naruto pouted and Yahiko chuckled.
"He calms down after I talk to him." Naruto smiled, yeah more like sexily command but he can't say that in front of Iruka.

"Are we having a party?" Naruto rolled his eyes when he heard that voice.
"Inoichi-San." Naruto said as he plastered a fake smile on his face.
"Naruto you aren't dressed for an interrogation." Naruto smiled,
"I'm not, I'm dressed for a talk with Shikaku-San and then a date with my Akuma." Inoichi rolled his eyes.
"Well Naruto's Akuma, follow me." Yahiko nodded and kissed Naruto on the cheek.
"See you soon Tenshi." Naruto nodded and watched Yahiko walk away. Naruto pouted and Shikaku came up.

"Let's go Naruto."
"Of course." So the two stalked their way to an interrogation room, Naruto wasn't nervous more-so hungry. He pouted, he hated being away from Yahiko. He sat down facing a mirror immediately knowing that someone was watching on the other side.
"Naruto tell me about the day of Sasuke's death." Naruto looked at Shikaku.
"Sasuke died? When." Shikaku watched his facial expression carefully and couldn't find any lie in Naruto face.

"He died Yesterday." Naruto looked down as if he was trying to hold himself back from crying. Shikaku looked on, Shikamaru might be right.
"I'm sorry, you know how close me and Sasuke were." Shikaku nodded,
"You Sasuke, my son and Choji." Naruto wiped a few tears and looked back to Shikaku.
"We had lunch, My Akuma and his girlfriend I think her name was Miyah. We talked and laughed, sweet girl." Naruto said as he brushed a hair out of his face.
"My Akuma and Sasuke talked, they really seemed to click because Akuma wasn't paying any attention to me." Naruto frowned a little and Shikaku almost laughed.
"What else?" Naruto nodded and continued,
"Miyah left, she didn't tell us where she was going and I was bored and I'm sorry if this is too much information but I was getting Horny. So I politely told Yahiko and left to wait in the Car for him." Shikaku shook his head.

"I didn't need know why you left." Naruto shrugged
"You didn't specify." Naruto said and Shikaku nodded, he was right.
"Okay, Thank you Naruto. You are free to go but don't leave the country." Naruto nodded
"Yes sir."
"Also, Thank you for helping my son with Temari." Naruto smiled,
"Just wanted to help him out." Naruto gave Shikaku a hug and left to wait for his Akuma. Shikaku sighed,

Just who killed Sasuke Uchiha?

"Does Naruto know what you do for a living?"
"He knows I own several business."
"No, does he know you are the leader of the Akatsuki, taking over for Madara." Yahiko shook his head no.
"No, and I intend on keeping it that way." Yahiko lied through his teeth.
"You seem interested in my Tenshi, why have I been called here?" Inoichi looked at Yahiko, glare streaming his face.
"Naruto, is innocent. I would hate for him to get caught up in your shenanigans." Yahiko looked at him,
"You sure it's that? You wouldn't happen to have a thing for my Tenshi? You're old enough to be his father." Yahiko chuckled,
"That's all, don't leave the country." Yahiko nodded and went to leave, he left an upset Inoichi in his chair.

———

"No I'm not single, but I'm flattered you all think I'm cute." Yahiko could hear is Tenshi's voice clear as day. He grew angrier by the second why does everyone want what is his.
"Tenshi, lets go." Naruto perked up when he heard that voice.
"Sorry men, my Akuma is calling. Nice meeting you all." Naruto stood up and one officer grabbed his wrist. Naruto smile fell from his face, why must people so be difficult.
"Stay with us, he's a criminal." Yahiko walked over to Naruto to see some man grabbing his wrist.
"Unhand me, cop or not, I do not tolerate being manhandled." Naruto said as his face fell, he looked on in pure hatred. Shikaku and Inoichi walked out from their rooms to see the commotion.

"Inoichi-San, please tell your subordinate to unhand me." Naruto said as calm as day. Yahiko stood back watching how his Tenshi handled the situation, he wanted to see his blood paint the walls after touching what is his.
"Genma-San, release him. He and his partner is free to leave." Naruto looked at his wrist which the cop still had a grip on. Naruto looked back up, he didn't want to have to do this, he snatched his wrist bringing the cop to him then he kicked him in the gut, making the cop release his wrist which was now a shade of red.

"Shika-San, please control you officers. I'm leaving." Naruto grabbed

Yahiko's hand and left. Shikaku looked to Inoichi,
"Didn't know Naruto knew hand to hand." Inoichi nodded,
"His god parents were Jiraiya and Tsunade, legendary bounty hunters. His parents as well." Shikaku lit a cigarette,
"His parents were?"

"Kushina Uzumaki and Minato Namikaze." Shikaku nodded, he might have to interrogate Naruto again.

Baby.

"Babbyyyy." Naruto called out from the house. He just came back from shopping with Moegi. It's been a few weeks since he's been interrogated.Naruto pouted when he didn't hear his name. He walked to his favorite maid,
"Yasin-San, where's Akuma?" Yasin turned around with a smile,
"Naruto welcome back, he's in the conference room with the rest of the Akatsuki. Naruto thanked her and handed her a bag.
"I bought these for you, take a day off Yasin, meet the perfect somebody." She smiled, Naruto by far was her favorite spouse of Mr.Pein.
"Thank you Naruto." Naruto hugged her and walked his way to the conference room. He knocked and then walked in.
"Sorry to interrupt, may I stay?" Naruto asked Yahiko, Yahiko glare softened and nodded. Naruto walked in and sat in the back. He sat there and listened.

"Kazuku?"
"We captures her along with a member named Karin. We saw Sasori spy Itachi and he handed us the information." Kazuku slid the paper to Yahiko, he read it over and sent a look to Naruto, and Naruto stood up.
"Yes Akuma?"
"Read this, Kazuku continue." Naruto read over the paper. They arrested Miyah for the murder of Sasuke Uchiha. All on circumstantial Evidence, she'll be a free woman if this actually goes to trial. She didn't say much probably something Orochimaru talked her into doing. Naruto placed the paper down and Nagato took that time to read it.

"Orochimaru and Kabuto spotted us, however they let us go. Me and Hidan forced the two girls to change into clothes we brought and dumped the clothes on the garbage bin on 4th street?" Naruto looked up,

"You think they bugged their clothes?" Naruto asked looking at Kakuzu. He nodded and faced Yahiko. Yahiko sat there with his eyes closed and clasped in front of him. The room was quiet, even Naruto didn't say anything, for fear of angering the leader even more.

"Hidan, Kazuku Thank you. You two have a few days off."
"Thanks Leader-sama."
"Obito, Kisame, you look at those clothes, take them to the old abandoned Akatsuki base, see if they were really bugged."
"Hai."
"Sasori and Deidara interrogate Karin, I want you two to make her talk."
"Hai."
"Everybody else But Tenshi is dismissed." So everyone left but Nagato.
"Nagato-San?" Naruto called out and he looked to him.
"I know you both are heading to her, I need to see her. Yahiko looked at his brother he could see the hurt and betrayal in his eyes.
"Nagato I don't think.."
"Akuma." Naruto interrupted. He looked into his loves eyes and placed a hand on Nagato.

"He's hurting. He needs closure not so much as a lover but as a sibling. We all know she wasn't in it for love, he just want answers." Nagato thanked Naruto and looked at his brother.
"Fine, just to warn you, Tenshi is a Haematophiliac." Naruto looked at Yahiko and rolled his eyes.
"You didn't have to tell my future brother in-law that." Naruto pouted and Nagato laughed.
"That's why you all have been together for so long. You both are sooo sadistic." Naruto smiled brightly as he flipped his hair. Nagato chuckled and walked out with Naruto and Yahiko following.

"Ko-Chan, welcome back." Naruto walked in first smiling. Konan was chained to the wall her blue hair slightly dirtied and she wore a baggy shirt and no pants. She didn't have the energy to put pants back on every time she used the bathroom.
"You've come to kill me." Naruto smiled and bent down he placed a hand on her cheek.

"Yes, and then me and Akuma will have sex in your blood." Naruto said and Nagato shivered,
"But Nagato wished to see you first." Naruto stepped back against the wall.

"Konan." Konan looked at her brothers and looked away.
"I wanted power. Madara always loved you two. Praising you both. Nagato was smart while Yahiko was strong and a leader. I was just Konan." Yahiko laughed, Naruto looked at him, this is the first time he heard Yahiko so more than a chuckle.
"Konan, he was constantly praising you, saying you reminded him of his late wife." Nagato said and Yahiko nodded.
"Madara never told you to your face how well you were doing. When I became leader he didn't congratulate me. He said, "don't fuck up." Yahiko chuckled.
"We assumes that you knew you were powerful. You could've came to us, instead you got jealous of Yahiko's wife and lost your mind, Literally." Nagato said, he wasn't crying, he knew that one of the three would turn and he was betting it would be Konan. He would miss his sister but for the Akatsuki, he would let her die.

"I'm sorry, I know I will die. I should've talked to you all. So before I die I'll let you know, He plans on Killing you in a months time Yahiko. You and the blonde should move over seas to avoid him." Naruto placed his hand over his heart.
"We won't. Konan I'm not one for words, but....." Yahiko started and Nagato finished.
"Rest Easy Konan." Nagato said and Yahiko and Nagato left the room.
"Nice speech Konan, I'll make this as quick as possible." Naruto said and Konan nodded.
"I'm sorry. But Naruto, you need to watch out. I hear Orochimaru calling around for someone named Tsunade." Naruto perked up at his God Mothers name.

"Why?" Konan shook her shoulders,
"Not sure, he's pretty Adamant about finding Her." Naruto nodded and sliced her stomach open. The blood poured from her stomach, she coughed and smiled.
"Thank you Nar- *cough* take care." Konan eyes closed and her

breathing stopped, Naruto saw the blood pouring for her stomach, her guts spilling out. The body limped against the wall. He stood there as saw the blood seemingly pool at his feel. He didn't even try to still his erection. God he was such a sick individual, the feeling of blood on him, the smell of the blood feeling the air. He felt goosebumps along his arms. Naruto turned around and walked towards the door.

Naruto didn't say anything he simply pulled Yahiko along with him. Nagato chuckled and slowly stalked his was behind him.
"Night Nagato." Naruto said as his slammed the door on Nagato and pushed Yahiko on the bed. Naruto stripped both of them, he dragged some of the blood along Yahiko's member. Naruto licked the blood off his lovers long member. Purring to himself, after a few month with Yahiko, Naruto has learned how to take all of his lovers 12in member.

"Tenshi." Yahiko grunted, Naruto pulled his hair into a ponytail an started moving faster to bring his lover to completion. Yahiko came with a grunt painting Naruto's mouth with cum. Naruto used his blood soaked hand to stretch himself, he hole dripping red and it made him shiver. Naruto pusher Yahiko on his back and straddled him. Naruto immediately took the entire member.
"Oh Baby." Naruto moaned, as he picked up the pace. Yahiko loves how undone Naruto looked after having blood splattered over him. Naruto was a sex machine every time blood splattered in him, which makes him think, how did he even develop this fetish.

"Baby, yes baby there." Naruto moaned as he bounced his member hitting his stomach every time he slammed down. Yahiko ran his hands up and down his loves thighs.
"Tenshi." Naruto looked down and smiled,
"I fucking love you." Naruto leaned down and kissed Yahiko. Yahiko wrapped his hand around his waist seemingly going deeper in Naruto. Naruto pulled away with a groan.
"I love you too Tenshi." Yahiko said as he flipped Naruto and started pounding into him.

"OH baby yesssss, FUCK ME." Yahiko grunted and picked up the pace. Naruto drooled,
"Yes baby oh- my yes Baby." Yahiko grunted into his ear.

"Tenshi, cum for me." Naruto nodded he knew better than to disobey Yahiko unless he wanted a punishment. Naruto loves the punishments pain or pleasure he'll take Yahiko however he chose to give himself.
"Oh my god BABY." Naruto came and came on their bed. Yahiko soon followed his lover into an orgasmic orgasm.

Naruto panted and smirked. Yahiko was panting as well their chest lifting together and falling as one. Naruto soon came back to his train of thought and looked to Yahiko.
"We need to find my God Mother." Naruto said and Yahiko turned to him.
"Why?"
"Orochimaru is looking for her, and if I had a guest it's a way to lure me to him. Like a moth to a flame." Yahiko pulled Naruto to him.

"I won't let you out of my sight. You will be safe Tenshi." Naruto smiled
"I know you will protect me if I can't."

Disowned

Tsunade walked into Konoha, she sighed as Shizune told her that her Godchild was involved with the Akatsuki. That was the one group that they couldn't take down, it was also the group that killed his parents. She lost Jiraiya shortly after and she just wanted to get away from it all. She left to Ame, she never wanted to step foot back in Konoha, but hearing that your Godson decided to join the Mafia, was one thing that made Tsunade come. She walked into the bar he worked at and saw his friend.

"Shikamaru, where is my flirtatious God Son?" Shikamaru looked up and saw someone he thought he'd never see again.
"Tsunade, still look as young as ever." Tsunade smiled and sat at the bar as Shikamaru poured a sake for her.
"You know Naruto has always been a hard one to track. Last time I saw him he kicked an officer in his gut and left." Tsunade chuckled, he was a spit fire.
"Could you try and contact him?" Tsunade said and Shikamaru nodded.
"I'll call him, see if he picks up." Tsunade nodded.
"It would be much appreciated." She downed her sake and pour herself another.

"OH FUCK YES AKUMA." Naruto screamed as Yahiko was fucking him ruthlessly in the garden behind the bushes.
"Tenshi they'll hear you." Naruto brought Yahiko down to kiss him roughly.
"I don't care." Naruto whispered into Yahiko's ear. That turned Yahiko on greatly as he began to pound into Naruto more.
"Oh. yes baby fuck me." Naruto phone started ringing but he so close. He groaned and picked up his phone, Yahiko slowed his thrust but didn't stop.

"What the fuck do you want Shikamaru?" Naruto snapped on the

phone. He was so close to cumming he was irritated.
"Watch your mouth Gaki?" Was heard on the other line and Naruto froze. Yahiko is watching his angel carefully stilling his movements.
"Bachan, What are doing here." Naruto quickly pushed Akuma of of him. Yahiko looked as his love his member slowly willing itself away.
"We need to talk. Shizune informed me of somethings." Naruto sighed, that fucking slut.
"Whatever she said, she's lying." Tsunade was laughing.
"Really? I hope for your sake she is. Meet at this bar in 30 Naruto and bring him." Naruto sighed and hung up on his Godmother.

"Looks like my Godmother came to me." Yahiko looked at his love, "What's wrong Tenshi?" Despite his harsh voice his actions was extremely gentle.
"She knows of you and my involvement with the Akatsuki. I didn't tell you that your group was responsible for the deaths of my parents and Godfather." Naruto looked at Yahiko sitting in his lap.
"I didn't blame you, it was the previous leader, it was Madara's blood lust that killed them. I didn't tell you because I didn't want you to think I was getting revenge for them." Naruto looked into his lovers eyes, Yahiko sighed and brought him into a hug.

"It's okay, Lets go meet her." Naruto nodded and kissed Yahiko. He got up and went to stalked his way into the house, Yahiko grabbed his wrist.
"Tenshi, you damn exhibitionist, put some damn clothes on." Naruto laughed and put on that dirtied Kimono.
"Baby, now I'm dirty." Naruto pouted and Yahiko looked at him.
"Then take another shower." Naruto rolled his eyes and threw some dirt on Yahiko.
"Now you have to take one too." Yahiko chuckled.
"Do you want to be punished?" Naruto purred a punishment from his demon, he wondered which one he would receive this time." Naruto smiled widely.
"Absolutely baby." Naruto ran to the The house almost as he was a mouse running away from the cat. Yahiko stalked his way to Naruto, he chuckled and thanked whoever he pleased in the pyramid scheme to receive this beautiful sadistic angel.

Naruto was panting. His arms tied to the shower head with the warm shower beating down his back. A cock ring pulsing around his member. Yahiko licked his lips.
"Shall I get the clamps." Naruto was moaning he wanted this damn cock ring off and he wanted to be fucked.
"No, I think I learned my lesson." Naruto cutely Said and Yahiko yanked his chin up.
"I don't believe you did baby. I'll put on the clamps." Naruto moaned and tried to break the rope.
"Na Ah Baby. Be a good baby boy and take your punishment." Naruto moaned he wanted to be Fucked hard.

"I learned my lesson, please fuck me." Naruto basically whispered out. Yahiko smiled and placed a hand on his Tenshi's cheek.
"What do you say Baby Boy? How do you ask?" Naruto whined.
"Baby please." Yahiko shook his head no. Naruto whimpered,
"Daddy please fuck me. Please. Please." Naruto said and Yahiko nodded. He slammed his member in.
"Ahhhhhh yes." The hot, warm pleasure that Naruto has come to love with his Lovers 12 inch member.
"So Good Baby." Naruto pulled at the ropes the clamps bouncing up and down as Yahiko pounded into him. The warm water pounding on his back.

"Take it off, can I come please." Naruto pleaded.
"Beg." Yahiko commanded and Naruto whimpered.
"Please baby, please let you Tenshi cum. Pleaseeeee baby please." Naruto begged he had tears in his eyes. Yahiko kissed them and nodded
"You will come with me or I'll punish you again." Naruto nodded and moaned as Yahiko seemed to go faster as he ripped the cock ring off of him.
"Cum." Naruto nodded and shot his load right there. Yahiko came as he felt Naruto tighten around him. Naruto fell against Yahiko still bounded to the shower. Yahiko unbounded him and kissed his head.
"We should probably head out. My GodMother has a temper on par with mines." Naruto said and Yahiko agreed.

Tsunade sat at the bar and looked at her watch. A whole hour she's been waiting for Naruto. He better not have gotten rusty or she will

take him on.
"Bachan." Naruto said as he walked in and dodged a sake bottle.
"I said 30 minutes not an hour." Naruto smiled.
"Sorry, me and Akuma were having hot hot sex." Tsunade spit out her sake and Yahiko sighed.
"Tenshi, I don't think she wants to know of our sex life." Naruto shrugged his shoulders and walked to Tsunade.
"Let's take this to his car, Shika-San might have this place bugged." Naruto whispered in Tsunade ear and she nodded.
"Nice seeing you Shika-Kun." Naruto said with a smiled and Shikamaru nodded.
"If you're ever single again, you know where to find me." Naruto laughed and waved.

"Naruto have you lost your mind?" Tsunade yelled at him as Yahiko was driving around town. Naruto sighed.
"Bachan, look. I love him. We've been together for almost a year. He protects me and watches over me."
"He works for the same group that killed your parents and Jiraiya." Naruto looked at Tsunade tears in his eyes.
"You don't think I know that? You don't think I miss them. Yahiko wasn't the one to kill them it was Madara and Madara is dead." Naruto said and Tsunade softened.
"He doesn't do anything related to the Akatsuki if that makes you feel better. I won't allow him. I can't have my precious Tenshi stained in blood." Naruto shuddered at that, blood, he needed to be painted in red.

"That I don't believe. I know better than anybody the Naruto is a Haematophiliac." Naruto blushed he remembered exactly how he figured out he was a Haematophiliac.
"You remember don't you, we had just killed the Mafia Ataka. You were painted in blood of the group and you stood there shuddering. Your mother thought you were traumatized. Only for your dad to realize blood turned you on." That was the last mission he took with his parents before they were killed when he was 16.
"I don't allow him to be in the Akatsuki." Yahiko Said as he pulled back into the bar.

"However, since you are related to Naruto and Naruto is my Tenshi,

you are being targeted." Tsunade perked up at this.
"By who?" Naruto looked at his Godmother.
"Orochimaru." Tsunade laughed and Laughed.
"Orochimaru? What does he do? Is he not a police officer anymore?" Naruto looked to Tsusnde
"No, he's the leader of Heibi. Promise me you'll be careful." Naruto said he loved Tsunade and couldn't lose her.
"You leave the Akatsuki, and I'll be careful." Naruto rolled his eyes, this stubborn old bat.
"Dammit Tsunade no. I FUCKING LOVE HIM. I will be with him, I don't care if it's in life or in death but no."

"I will not allow you to be with him."
"I AM 19. I am an adult. I can make my own decisions and I want to be with him."
"Then I disown you, you are no grandson of mines." Naruto looked at his Godmom and he didn't cry, no Yahiko has hardened him up over betrayal. Naruto's voice deepened and hardened, if you weren't looking at him you would've swore the voice belonged to Yahiko.
"Then so be it. I hope you find a way to stay alive Tsunade. Get out." Naruto turned back around in his seat and looked forward. Tsunade was stunned, but she knew her stubborn Godson would come around.
"Bye Naruto." Naruto didn't say anything as he heard the car door shut.

"Tenshi."
"Drive please." Naruto said in a soft whisper. Yahiko nodded and drove off.

R.I.P

"Tenshi."
"I'm fine really." Naruto said as he laid in bed. Yahiko knew he wasn't. Naruto has been in bed for a week. He didn't get up unless it was to eat and he didn't have sex since then so he knew he was upset.
"Are you Angel? Naruto sighed and Yahiko nodded. He got into bed and held Naruto to him. Naruto looked at him.
"Shouldn't you be getting ready for Miyah's trial?" Naruto asked his spouse. Apparently they found the murder weapon and it was covered in her fingerprints. Which is unlikely because Naruto still has the knife he used, so
This must've been Orochimaru's or even Yahiko's doing either way, she was going down for a murder she didn't commit.
"I was, but I can have Nagato go and stay with you." Naruto sighed his back still facing Yahiko.
"I'm fine, really." Yahiko kissed the top of his head.
"You say that so much I don't think it's a word
Anymore. You're hurt, it's fine to be. Tsunade is your only living family." Naruto turned around at that.
"We aren't family. She's disowned me."
"Tenshi." Naruto turned back around and Yahiko sighed.
"I'll be back." Naruto nodded and Yahiko walked out the room and a lone tear fell down his face. He wasn't so much you upset, just frustrated. He got up and got dressed, he needed to blow some steam. Walking to the garden he saw Kazuku.
"Kazuku-San." He looked up from the sleeping Hidan and nodded to Naruto.

"Spar with me?" Kazuku nodded and Naruto smiled. Yes in the Akatsuki, he was the best pure striker.

———

"Welcome Tsunade, how long as it been." Tsunade has been tied up

by Orochimaru. She was sitting in a lone cell with a cot but her hands were tied to one another.
"Orochimaru What are you doing? Why aren't you a police officer." Orochimaru laughed.
"I've done the right thing for far too long. Konoha police was rotted from the inside out. I am doing them a favor by being the bad guy." Tsunade looked away, she should've listened to The Akatsuki leader.
"What do you want from me." Orochimaru cackled, she knew what he wanted, why she must prolong the inevitable was always a mystery to him.

"Simple, I want the blonde. Your sweet Haematophiliac GodSon, along with his lover." Tsunade chuckled she couldn't provide that.
"I disowned him, he hates me. He won't come for me." Orochimaru cackled and dialed his number and put it on speaker.

_____

Yahiko stalked his way back to the room after telling Nagato and Kisame to go watch the trial. He saw the bed was empty and didn't hear the water running. He saw him sparring downstairs and Kazuku looked almost terrified. Naruto was over powering him unconsciously. He walked downstairs and into the garden.
"Kazuku come on, you aren't putting up much of a fight." Naruto said and Kazuku was panting.
"Naruto, you know you are stronger than all of us." Naruto pouted he wanted a good fight.
"Spar with me." Yahiko said and Naruto turned around.
"Really? You've never wanted to spar with me." Naruto looked to his baby.
"Maybe because if he lost, his pride would be hurt." Hidan said and Yahiko glared at him.

"Yes we will Spar. Let's see if we are on Par."
"Okay baby." Naruto smiled, Yahiko glare softened, he missed that smile. It's been too long.
"Come." Yahiko told Naruto and Naruto did. Hidan called everybody down sneakily to see this legendary Spar. Naruto was smiling, this is the best Spar he's ever had.
"Thanks Baby." Naruto said as he blocked a kick and dodged a

punch. Yahiko nodded and dodged a punched Aimed at him.
"I got $25 on Naruto." Nagato said and Kazuku Hidan and Zetsu agreed.
"I got $20 on Leader-Sama ." Kisame said and Obito nodded.
"We got $15 on a tie." Deidara Said and Sasori agreed.

Naruto and Yahiko were throwing punches and kicks and if you weren't looking you would miss it.
"Are you feeling better Tenshi." Naruto pouted and jumped up to miss a kick from Yahiko.
"Yes, after this sex." Yahiko nodded and Naruto smiled. Neither one landed a punch on the other. Yahiko chuckled.
"I didn't know you were this amazing." Naruto smiled.
"You know I love it when you compliment me, makes me thing I'm worthy of you." Naruto dodge a punch and him and Yahiko pulled out a knife. Yahiko dodged a knife to the cheek as he began talking.

"I thought you were worthy of me the minute I heard you tell some blonde girl 'Shouldn't you be sucking dick in an Alley'." Naruto laughed as he sidestepped his lover.
"She's been testing me since forever." Naruto said and Yahiko chuckled.
"This match might never end." Zetsu Said sleepily.
"Well when you know someone as well as those
Two do, it gets almost impossible to read one another's moves." Hidan said. Yahiko and Naruto were both panting slightly. Naruto smiled, this is what he needed.

"Thanks baby." Naruto said as he hugged Yahiko. Yahiko dropped his knife and held his lover. Deidara cheered,
"It was a tie, pay up bitches." Yahiko looked up at his team, he chuckled and smiled faintly, nobody seem to catch it but Naruto, and let's just say, Naruto's breath was taken away.
"Actually, Naruto won. If we continued he would've won." Nagato cheered along with the others who voted for Naruto.
"Time to pay up." Naruto smiled. Soon his phone started ringing. Naruto rolled his eyes and answered.

"Hello."
"Hello Naruto-Kun." Naruto rolled his eyes and put the phone on speaker.

"What is it that you want Orochimaru." Everyone's laughter stopped. Yahiko glare thickened.
"I want you and Yahiko's head, in return I'll free your GodMother."
"Naruto I'm fine, I'll make it out of here. You and Yahiko stay alive." Naruto smiled slightly.
"Bachan." Orochimaru chuckled,
"So Naruto-Kun What will it be."
"I love you Bachan." Naruto said as he leaned a head on Yahiko's arm.
"Naruto-Kun." Naruto voice deepened, he could hear Tsunade soft sobs that she tried to hide. He was sorry, but he chose this life. These words tumbled out of his mouth easily.

"Kill her." He hung up and sighed. He smiled to the Akatsuki.
"Thanks for the company, I'll be retiring to bed." Naruto turned and walked away and Yahiko sighed right when he cheered Naruto up. Yahiko turned to his group.
"I want you all to come up with a plan on destroying Heibi. I've gotten complacent. We have to end them, they've hurt Naruto too much and I will not allow it further."
"When will you like this done?" Nagato said.
"I'm a weeks time."
"Hai, Leader-Sama." Naruto was in the same spot he was in. He sighed, Sasuke, Konan and Tsunade. He killed them, all three of them. He knew they would've been safe if he never got involved with Yahiko, but Kami. He loved Yahiko. He just needed to be with Yahiko, his life his center revolves around Yahiko.

"Tenshi." Naruto looked up and smile sadly.
"Baby." Naruto patted the bed and Yahiko laid down. Naruto laid on top of him and just laid there.
"Are you okay Tenshi." Naruto shook he head no.
"Baby, I've killed three people. I've spilt blood on these hands three times. The thing is, I don't care. I would kill more if it meant I'll be with you, I just want to be with you." Naruto kissed him and nuzzles back into his neck.
"I don't want to loose you, I can't I can't." Naruto looked at Yahiko and kissed him feverishly. Yahiko returned it with his hands tightening around is waist.
"You won't loose me. I will be here." Naruto nodded and drifted to

sleep, in the hold of his lover.

_____

"Shit." Orochimaru threw his phone in the wall. Tsunade has stopped crying at this point. He loved her, he still called her Bachan. He loved him, more than he loved the life of his Godmother. She smiled, she could leave this world peacefully, not plagued by the memories of letting her surrogate daughter and her lover die.

"Are you killing me now?" Orochimaru clicked his teeth.
"Why won't he budge. He's killed so many for Yahiko, he would let you die to be with him?" Tsunade smiled,
"Naruto loves Yahiko. Love will make you do crazy thing. He wants keep the one constant thing in his life." Tsunade gets it now, she shouldn't listened to him last week.
"Well I for one, cannot stand love." Orochimaru Said as he sliced Tsunade's throat. He left her body rotting in the cell as he made his way back to his office, he needs to find a way to kill them.

First Lady of the Akatsuki

"Akuma Honey." Naruto said as he gazed into those Hazel eyes that he loved so much. Yahiko was driving Naruto to the airport, he was stashing Naruto away until Heibi was destroyed. He was sending Naruto to a base on the other side of Japan. He wasn't going to be alone he was going to be Zetsu who was in the car behind him. He grunted which Naruto took as a What.
"Promise me you make it out of this invasion alive, since you said I cannot come I can't keep an eyes on you. Promise me you make it home alive." Naruto was about to tear up. "Promise me Yahiko that this won't be the last that I will see of you." Yahiko softened as they pulled up in the airport. He parked right in front of the private jet Naruto would be in.
"I will try to make it out alive Naruto." Naruto looked at Yahiko tears in eyes, He has never heard Yahiko say his name. He was always Tenshi, with Baby boy on occasions. Yahiko leaned in and placed a hand on his cheek. Yahiko kissed his nose and licked the salty sweet tears.
"I don't not wish to die Naruto. I want to come home to you. I don't want to promise in case I do die. I will try and make it back to you." Naruto nodded and kissed him deeply, this was going to be a long week without Yahiko. He wanted to be with him, he wants to go with him but he has to wait and pray that his lover comes back to him.

"Let's get you on the plane." Naruto nodded and got out the car. He was still upset, this will be the longest he's gone without Yahiko. Yahiko gave Naruto's luggage to the help and stood in front of him. Zetsu has taken the moment to pull up.
"Leader-Sama, Naruto-Sama. We must go." Naruto stared crying and Yahiko taken him into his arms.
"Zetsu give us a minute." Zetsu nodded and stalked his way inside the Jet. Naruto still crying into Yahiko's embrace.
"Naruto you have to leave." Yahiko Said softly into his ear. Naruto

pulled away and looked into his eyes. Naruto looked so sad and it almost made Yahiko want to just say fuck it and bring Naruto along for the ride.
"Don't make that face. I will try my best to come home so smile for me." Naruto nodded and gave him his Uzumaki smile, and gave him a kiss.

"Naruto-Sama." Naruto looked to Zetsu and nodded, he looked back to Yahiko.
"I'll see you soon baby, all of you all better make it out alive you all are my only family." "We will try for you Tenshi." Naruto kissed Yahiko and hugged him one last time before walking to the plane. Yahiko looked on and watched the plane take off. He prayed Zetsu would watch over Naruto, he was sure Naruto would be fine, but would he. He never gave a promise unless he was sure he will fulfill it. Going back to the car he drives back to the base. It's time, time to destroy Heibi.

Yahiko drove back to base and sat down with his remaining members.
"We move tonight roughly around midnight. I don't want a single Casualty, Naruto is pretty worried about us all." Nagato smiled and nodded his head.
"Do you think it was alright to do this without him? He is stronger than everyone in this room." Kisame asked about Naruto who he has gotten amazingly close too, well as Amazing close as could get to Yahiko's lover without having you head sliced off. Naruto was like the First Lady of the Akatsuki, he was strong and could calm anybody down, however don't anger him or your blood would be splattered on the walls.
"He cannot go, I'm letting you all in on a secret." Yahiko started talking he looked to his crew all the resolves in his face he said the words Naruto never wanted to hear. "I don't plan on making it out alive." The room fell silent.

_____

Naruto was in the jet throwing up, he didn't have anything to eat since last night and he just chalked it up to being nervous about Yahiko. Zetsu was knocking on the door, "Naruto-Sama are you alright?" Naruto was panting against the toilet,

"No I'm not alright Zetsu, you may enter I don't have enough strength to stand up." Zetsu opened the door and walked to the blonde. Zetsu looked at him and picked him up.
"Did you want anything to drink Naruto-Sama." Zetsu asked as he laid Naruto on the bed, Naruto nodded.
"Water please. Have somebody check me out too to make sure it's really the stress." Zetsu nodded and went to grab the Nurse. Naruto cuddled in the blanket that lacked the smell of Yahiko and the warmth of him. He was so lonely, this was the loneliness he's ever felt.

"Naruto-Sama, the nurse will be in later tonight. As for you, you should rest until then." Naruto nodded,
"Zetsu, please tell me everything is going to be alright." Zetsu looked at Naruto, he felt his heart drop at the sight of him, he knew Leader-sama didn't intend to make home alive.
"I'm sure everything will work out the way it is meant to." Naruto didn't like the answer is was cryptic almost as if he knew something Naruto didn't know. Naruto nodded and Zetsu showed himself out. Naruto sighed once again. Their one year anniversary was coming up and he wasn't even with him. Placing his hand on his belly, Naruto drifts to sleep.

_____

Nagato looked to his brother,
"Yahiko." Nagato dropped the honorific as he glared at his brother. "No, you cannot leave Naruto alone. You will make it out alive even if I have to die. Naruto would be absolutely devastated if you didn't make it out alive." Nagato finished yelling at his brother and just served him a look. The rest of the Akatsuki was the same way. Naruto lightened up the group, there is no way that light would shine if he lost his demon. He would be shrouded in darkness, Chimei-Takina Tenshi would no longer be a nickname.

Yahiko cleared his throat,
"In case that I don't make it out alive. Naruto is the leader. You will all listen and respect him if I die." Yahiko looked to his group, they all looked on sad, Yahiko was ready for death, but he wouldn't be a good leader without it.
"Do I make myself clear." Yahiko asked again.

"Hai." The group said and Yahiko nodded.
"Let's move out." Yahiko walked out with his group following. The group praying Yahiko wouldn't not throw his life away.

_____

"Orochimaru-Sama, they are making their move." Orochimaru cackled.
"I see, Karin perished along with Konan. Grab Judo, Suigetsu, Kimimaro and Itachi. We will face off with them. The time has come and i want their heads. We are going to destroy them. Let's go."
"Hai, Master." Kabuto Said as he ran to get everything ready, Orochimaru laughed and licked his lips, yes, yes it's time.

Suigetsu, the bomb expert, his skill rivaling Deidara. He was a loud and brash sharing similar traits to the Akatsuki member. He was ready to see blood. He didn't care who's, he was never a team player and all knew that.

Judo, the best pure striker the Heibi has to offer he didn't excel at anything but beating people near death, he was much like Kazuku, quiet and only seemed to care about his lover Suigetsu.

Kimimaro, he wasn't much, he was always sick but he would do anything for Orochimaru. He would loose his life for the dream Orochimaru wanted, he wasn't weak when at 100% strength but his feeling for Orochimaru make him a wild card.

Kabuto, he wasn't a combat type at all, he was more into medicine, but he has developed poisons to help him since he isn't a brawny Guy. His poison are on par with Zetsu, however, Sasori also uses poisons not to the extreme like Kabuto but enough.

Itachi, he was the spy Sasori had in his ranks. He was good a lying. A little too good at lying. He was like a unknown factor in this, would he fight with Heibi because the Akatsuki killed his brother or will he fight Heibi because they organized the whole thing.

Orochimaru, the leader and little demonic. He used underhanded dirty tactics. He was good in poisons, not so much combat but he

could hold his own against most, however Yahiko would give him trouble.

With both groups ready they are ready to meet that fateful night.

_____

Sorry for the long wait, my life wasn't in a good spot. However things are picking back up and it's going a lot better. I plan on releasing the last chapters today so stayed tuned.

What is wrong with Akuma's Tenshi?

"Hello Naruto-Sama." The nurse just walks in, she didn't knock nor alert Naruto of her presence. Naruto looked at the lady and immediately ran to the bathroom to throw up again. He pukes in the sink not even making it to the toilet.
"Naruto-Sama." The nurse scurries after him, telling her helper to grab him some water. She rubs his back and he calms down.
"I'm sorry, thank you." The nurse leads Naruto back to bed.
"It's okay, you should eat something. Zetsu-San is telling me you aren't eating." Naruto nodded.
"I'll just have some soup then." She nodded and began to check him.

"Any pain with pooping or peeing?"
"No?"
"Any back pain or stomach pains when throwing up."
"No." The nurse didn't know what was wrong with him so she brought in an Ultrasound with her.
"Okay Naruto, I'm going to check you stomach, maybe you have appendicitis or something got stuck in your intestines and it's trying to push it out on its own. Naruto nodded and to be honest he felt a little vulnerable without Yahiko. He wanted comfort and couldn't even receive it.

"This is going to be a little cold." Naruto squinted his eyes as the cool gel fell against his stomach. He looked towards the monitor hoping nothing was seriously wrong. He saw a mass and immediately got scared.
"Nurse What is that mass?" The nurse however was shocked. She changed angles and everything. She was shocked, she looked to Naruto and then smiled.
"I have to take your blood Naruto-Sama I want to be 100% sure before I give you a diagnosis." Naruto nodded and the nurse left. He

held his stomach and let sleep consume him.

_____

It was quiet and dark. You couldn't see where to go. The Akatsuki could only listen to movements, they could only pray everybody was sleep and they weren't walking into a trap. Alas, the Heibi has a different plan. They came upon three hallways. Yahiko halted his team.
"Kisame, Hidan and Kazuku, take the left path, Sasori, Deidara and Obito take the right path. Me and Nagato will take the middle. Kill everybody, Deidara, not too many bombs, please don't take us out along with Heibi." Yahiko Said and the others nodded, Deidara gave a chuckle,
"Hai Leader-Sama." Yahiko nodded and Nagato piped up.
"Let's make it out for Naruto-Sama's sake."
"Hai."
"Scatter." With that they all ran down the hall, listening to any noise that might signal an early death.

-Kisame, Hidan, Kazuku-

The trio ran into a bright room and that would've been enough to throw off anyone. However these three recovered quickly and dodged a trap set for them.
"Excellent, Right Honey." Suigetsu said walking in with Judo.
"If only Orochimaru-Sama allowed me to use my bombs as a trap they would've been dead." Judo calmed his lover.
"Let's end this and have sex." Hidan rolled his eyes,
"That Kazuku line." Suigetsu laughed,
"If only we didn't meet as enemies I'm sure we would've became friend.
"I believe you're right, however we are enemies, so let's go." Kazuku said and Judo ran after him and Hidan, leaving Suigetsu to Kisame.

-Obito, Sasori, Deidara-

They didn't have to walk far for Deidara to set off a bomb, Sasori could only sigh and chuckle at his crushes antics. Obito smiled he always loved Deidara's bomb, it was bright and flashy. He set off

one to many and the wall behinds them falls, blocking the way out. Deidara only laughed,
"Now nobody can escape." Sasori shook his head then looked up, I guess all this commotion would attract some Heibi members. Obito looked up, this was Itachi Uchiha, his cousin. He was never treated like an Uchiha simply because he didn't act like one, he was disowned and looking at it now it made him who he is.

"Cousin, I wish not to talk. I want everybody in this rooms head for the death of my brother." Itachi pulled out a sword and stood away from the Heibi member. Kimimaro wasn't surprise, he knew Itachi would turn.
"I see, well show me that Uchiha blood that runs so smoothly in you." Obito pulled a sword off the wall and faced his perfect cousin.

"I guess that leaves us." Sasori said pulling a knife." Deidara already lining the walls with bombs.
I guess so. For Orochimaru sakes, I will end you all." Kimimaro said pulling the same knife as Sasori."

-Yahiko and Nagato-

The walked the halls. Both on their mind was a certain blonde beauty. Nagato and Naruto were close finding out that they both were Uzumaki's made them at least distant cousins. He was everything the Uzumaki's stood for. Even with the career change from Bounty Hunter to Mafia Mistress. Yahiko was just wondering was the last time he saw Naruto going to be the last time. He knew the thing about Madara was his readiness to always die, that's how he was so successful. He wanted to embody the same thing his surrogate father portrayed.
"My, You didn't bring the blonde." Yahiko and Nagato whipped their heads so quick to see Orochimaru and Kabuto.

"No matter, I have someone tailing the blonde. I heard he's going to Osaka." Yahiko snorted, that's not where is was going but he'll let Orochimaru think that.
"You better not touch him, your fight is with me." Orochimaru cackled,
"It is, but thanks to that blonde, the police is on me due to Miyah being charged for a murder your blonde committed." Yahiko

shrugged,
"I have no idea what you're talking about, but I'm done talking."

Orochimaru chuckled,
"Oh, Yahiko, if it's a fight you want prepare to die." Nagato stepped up,
"Over my dead body." Kabuto smiled and pushed up his glasses. "That can be arranged." They four looked between the other and pulled out some knifes, they charged at one another.

_____

"WHAT DO YOU MEAN THIS PLANE IS HEADING TO OSAKA?" Zetsu yelled waking up Naruto. Naruto stalked out the room to see an angry Zetsu yelling at the pilot, he was tied up and it didn't make any sense to Naruto.
"Zetsu weren't we supposed to be heading to Kyoto?" Zetsu looked to Naruto and Naruto was almost frightened, almost. He's never see Zetsu so mad.
"Zetsu-Sama, I'm sorry, Orochimaru payed my child's hospital bill to fly this plane to Osaka instead of Kyoto. My daughter was Very..."
"SILENCE." Naruto didn't need to hear anything else, he was suddenly awake and acutely aware that him and Zetsu were in deep shit if this plane landed. Zetsu shuddered, "Hai Naruto-Sama." They both muttered.

Naruto leaned down and grabbed the pilot by the chin.
"You know I am not heartless, if you came to me and explained I would've helped you out." Naruto said to the pilot. He nodded his head,
"Now I am going to untie you and you are going to fly this plane anywhere but Osaka." He nodded again.
"Zetsu."
"Hai Naruto-Sama." Naruto looked at him,
"You are to watch him, make sure we do not land anywhere near Osaka nor Kyoto. Orochimaru probably anticipated that he would fold and stationed people in both places."
"Hai, anything else." Naruto nodded.
"When we are safe, find a new pilot, unfortunately for Christian here, once he lands this plane, his daughter will be fatherless." Naruto pushed the pilot and stormed off. The pilot was a mess of

tears and Zetsu pulled the pilot towards the room.

"Chimei-Takina Tenshi in the flesh." Zetsu muttered and watched the GPS on the plane. He was always amazed at how well Naruto could be so nice one second then deadly the next.

Naruto sat at the kitchen table eating whatever Yasin was made. She sat next to him, she's been worried About his health, the constant throwing up, and the fatigue. He didn't have much of an appetite lately and it frightened her.
"Naruto what's wrong with you? What did the nurse say?" Yasin was the only maid that he allowed to drop the Sama. She was like a friend to him. Friends don't call him Sama.
"I don't know, I saw a mass in my stomach on the ultrasound and the nurse took blood to be 100% sure of whatever that is. She smiled so I hope it's nothing threatening.

The nurse walked in with his results.
"Naruto-Sama. I know what's wrong with you." Naruto looked up at the Nurse, and squeezed Yasin hand. The nurse smiled and held the test.

"You're pregnant."

The Destruction of Heibi

"God damnit Deidara stop exploding everything I cannot see." Sasori Said as he dodged a knife to the gut. Wall debris was falling all in his eyes making it like they were fighting in a mist. Deidara chuckled,
"If you cannot fight within this, you wouldn't be able to call yourself my boyfriend. Deidara Yelled after making another wall exploded. Sasori chuckled, oh how he loved that blonde idiot.

"Oh, you seem to be holding up well against me." Itachi said blocking the swing down attempting to not get sliced into deli sliced ham.
"Madara taught me everything I know. Madara was the only person from our family to ever show me love. It wasn't motherly nor was it fatherly but I grew up stronger than any Uchiha wanting to become a police officer." Itachi hesitated before making a move, he ran at Obito and Obito chuckled.
"You brother made a mistake, one that you made as well, one that will cost you your life." Itachi snorted,
"Yeah and what is that?" Obito caught Itachi off guard and placed the sword at his throat.
"Hesitation. Goodbye Cousin." Obito panted and sliced his throat. He looked up and saw this place was decimated, literally. He had seem to loose Deidara and Sasori. He heard an explosion and laughed, he needed to follow that.

———————

"What?" Naruto and Yasin looked at her as if she was crazy.
"He's a boy, he cannot have children." Yasin practically whispered yelled. The nurse sat across from Naruto and showed him the test.
"At birth you were born with both male and female Genitalia. You have a penis yes, but you also have a womb. It's a miracle, you have only a few eggs, it seems that a egg was ready to be fertilized the last time you had sex and you've gotten pregnant." The nurse was so

happy she had a case like this. Naruto was still shocked, he didn't know what to say, he was pregnant with Yahiko's kid. Raising a kid in the Mafia? Could he do it, could he bring an innocent baby into this? Naruto started crying and Yasin comforted him. The nurses smile fell as she realized that she was a nurse for the Mafia. That baby could be targeted, the baby would face many hardships and only then did she place her hand on Naruto's.

"My baby. How can I protect them? I can't, this baby will have a target on them as soon as it's born. I cannot lose this baby, my baby, OUR baby." Naruto said into Yasin.
"Naruto, one step at a time. How about you asked Alisha about the baby." Naruto looked up and nodded. Alisha nodded and told him about the baby.

"It's a boy, you're three months, I'm surprise you showed symptoms this late in your pregnancy, and you belly isn't that big. The baby is healthy and thriving." Naruto smiled and chuckled through his tears. She slide him a picture of his baby, he started crying harder, his baby was beautiful.
"You're going to be a good mom Naruto-Sama." Alisha said. He looked up and smiled.
"Call me Naruto, Alisha."

———

"Nagato."
"I'm on it." Nagato threw one of Deidara bombs and caught Kabuto off guard. Nagato then sliced him, it caught him but he was still able to fight with this wound. Kabuto chuckled,
"You actually cut me." He started laughing madly.
"Yes, more, more." Kabuto was running towards Nagato screaming. Nagato rolled his eyes, why did he always deal with the crazies. Kabuto dropped his knife and went to punch him in his face, yeah crazy indeed. Who brings a fist to a knife fight.

"Kukuku, you're better than Madara, I almost got sliced multiple times."
"Yeah well don't hold you breath I plan on ending this early." Yahiko Said and he stabbed Orochimaru in the gut. Orochimaru looked down and coughed, he could taste that warm irony liquid.

He could taste his blood, not another's but his own. He madly laughed, he pulled the knife out his gut, a rookie mistake. If you wish to prolong the bleeding you keep whatever that impaled you in.
"My, you are not playing about ending this early. Unfortunately for you, you will not have anybody to return with.

"SUIGETSU."

———

Suigetsu heard his name loud and clear. He smiled and stepped away from Kisame.
"Sorry, but we are all dying." Suigetsu pulled out a remote and pressed it.
"Five Minutes until destruction." Everybody's eyes widened.
"Shit, Hidan, Kazuku we have to go." Kisame turned around and ran out along with Hidan and Kazuku. Judo walked to Suigetsu,
"Do you wish to leave?"
"Yes, I hate working for that snake like man. Let's open up several strip clubs." Judo nodded and grabbed his lover and ran in the opposite direction. Suigetsu was laughing madly.

Across the way Obito caught up with Sasori and Deidara. They were literally standing in the middle of the woods due to Deidara literally blowing up half of the hideout.
"Five minutes until destruction." Obito turned around and heard the building counting down from 5
"4:35, 4:27." The time was dropping and they needed to reach safety, luckily Kimimaro sickness caught up to him. He was no headless due to Deidara. He cutely smiled and Sasori laughed.
"Sorry to interrupt but if you having noticed Heibi Is about to blow up, we need to get to safety." Sasori nodded and grabbed Deidara's hand. Those two ran after Obito smiling.
"WHOO BABY." Deidara yelled as he kissed Sasori on the cheek.

Who knew that they disregarded life so much?

"3:50, 3:21." The time was ticking down and Yahiko stood in front of a bleeding out Orochimaru and a deli sliced Kabuto.
"We need to go Yahiko." Yahiko walked to Orochimaru and looked at him.

"You've caused my Tenshi so much pain. I cannot wait for them to find your unrecognizable face when you all die.
"You stay any longer *cough cough* you will die as well." Orochimaru chocked out,
"I'm leaving now." Yahiko slammed his knife in his chest and turned to Nagato.

"Let's go."

"1:47, 1:20, 1:00."

"Where the hell are they? I know he isn't that stupid." Kisame was pacing. "What the hell are we going to tell Naruto when he realizes his husband or cousin didn't make it out." They all looked down, nobody wanted to be the one to tell Naruto that. How could anybody tell Naruto that the two closest people in his life died the night of the invasion. Nagato ran out with a lagging Yahiko.
":30, :25, :10." Nagato was yelling for his brother that got caught in a trap a knife was impaled in his leg.

"YAHIKO."

The building blew up, flames rising. You couldn't see anything but that fire. Nagato turned to the Akatsuki.
"Load the cars, Kisame follow." They all nodded, never seeing such expression on Nagato.
"Somebody call the plane Naruto is on home. Hopefully he didn't land already." Nagato said running into the fire to see if Yahiko was still alive.

_____

The Plan landed in Tokyo. Christian was killed and dumped in the river. They were about to unload when Zetsu got a call. He nodded and lowered his head.
"Thank you Obito, We'll be home soon." Naruto looked up, the invasion took all of a days. He was happy to see Yahiko.
"We are heading home Naruto." Naruto nodded and went to take the luggage back in the plane when Yasin slapped his hand.
"You will not be carrying heavy luggage while pregnant." Naruto rolled his eyes but smiled at Yasin.

"I'm ready to see Yahiko." Zetsu walked up to Naruto and smiled, "I'm sure he's ready to see you and hear that you are giving him an Heir." Naruto smiled and stalked his way back on the plane. Zetsu sighed, he couldn't tell him that Yahiko Is fighting for his life as we speak.

_____

"DRIVE HES BARELY BREATHING." Nagato was screaming at Deidara, he stepped on the gas and sped off. Nagato on the back looking over his brother. He had slight burns but mostly he had glass shards in chest. Every time he breathed the glass would move slightly.
"Hang in there Yahiko. You have too for Naruto." Yahiko opened his eyes and faintly smiled.
"Tenshi." He whispered and Nagato nodded.
"Yes your Tenshi so you have to make it." Yahiko closed his eyes and opened them.
"Tell Naruto, I wish we could've had a child. Boy or girl." Yahiko coughed, blood. Blood always reminded him of Naruto now.

"Tell him yourself. Survive for him." Yahiko chuckled and closed his eyes. He pictured his life with Naruto. Tomorrow was their one year anniversary and he was going to spend it in a hospital bed. Nagato was holding back his tears. Everybody in the car didn't say anything, the only thing you could hear was the tires as Deidara sped back to the base.

"I'm Carrying Your Child."

It took another day to reach home. When Naruto reached the house he saw all of the Akatsuki standing outside, well everybody but Yahiko. He walked out the car in the same outfit he met Yahiko in. His smile was gone, where is his love. He saw the look on Nagato's face. He looked towards Zetsu.
"Zetsu, did you forget to inform me of something?" Naruto said sounding like Yahiko. Zetsu bowed.
"I'm sorry, I didn't tell you that Leader-Sama was injured on account that I didn't want to stress you and the Heir out." Naruto looked to the group and nodded.
"All Akatsuki to the conference room now." Naruto said as he pushed passed all of the Akatsuki. They all sighed in relief, well that relief will be short lived. They saw Naruto sitting calmly in the chair which should've been their first clue that he was angry but they all sat around him. Staring at him intently. Naruto looked at them tears threatening to fall.

"What the hell happened out there." Nagato looked to his cousin.
"Naruto." Naruto held up his hand.
"Somebody tell me what the hell happened or everybody in this room, blood will paint these walls." Naruto said in a commanding voice. Nagato sighed and told Naruto everything. The whole time Naruto placed a hand on his belly.
"He wanted me to tell you, that he wished you both could've had a child." Naruto closed his eyes.
"Take me to him." Naruto said and Nagato nodded. Naruto stood up.
"Everybody is Dismissed, nobody is to leave the base. Zetsu."
"Hai, Naruto-Sama." Naruto looked to him.
"Thank you." Zetsu nodded. "However, do not lie to me again."
Naruto walked out following Nagato.

"Naruto sick Zetsu?" Zetsu shook his head no.
"He's carrying Leader-Sama's Heir." The room looked shocked.

"How?" So Zetsu explained fluently what Naruto told him. The group let it sink in and nodded.
"I pray Yahiko makes it through this. Naruto can't be a leader and a new mother. The stress from both will kill him." Kisame said and the group nodded.

Naruto and Nagato walked in the room and you could see a nurse going over Yahiko.
"We healed him up, the rest is up to him." Naruto nodded.
"Thank you, take the day off. Give the case to Alisha for today." The nurse nodded and walked out.
"Naruto." Naruto was looking at Yahiko, his hand on his belly, he started crying. Nagato knew this would happen. Naruto walked up to Yahiko and yelled at him.

"YAHIKO YOU FUCKING IDIOT." Naruto was sobbing at this point. "YOU GO AND ALMOST DIE." Naruto held Yahiko's hand to his belly. "IM CARRYING OUR CHILD, OUR SON YOU HAVE TO WAKE UP." Nagato looked shocked but didn't say anything. Naruto sobbed against Yahiko's neck climbing into bed with him. "You have to wake up, I cannot lead the Akatsuki and be a single parent. Akuma please." Naruto sobbed into his neck. He soon fell asleep in his lovers arm. Tired of thinking and crying. Nagato let a few tears fall as he covered Naruto with a blanket. He sat on the other side of him, placing his head down on the bed and drifted to sleep.

Dark, it's so dark. I can't see anything I hear beeping. I hear yelling. Who is yelling? Child? Who's yelling about a child? Akuma? Naruto, it's my Tenshi. He's yelling at me? What did I do. Wait, oh yeah I got caught, I'm dying. I'm leaving Naruto, I can't leave him. I have to wake up, please let me wake up. Can I wake up.

Days turned into weeks and it has been two weeks since Naruto came to see his beloved in the bed. He doesn't leave his side. Nagato deals with the Akatsuki right now, Naruto can't seem to worry about anything but his son and Yahiko. Naruto started talking about his baby.
"What should the baby name be? Naruto said into his loved neck. No answer, no movement but he felt like Yahiko was listening.
Yami Pein Naruto laughed,
"I was thinking Yami Uzumaki. No offense but I don't want my

child's last name to be Pein." Yahiko hand twitched at that. Naruto looked at his face. He placed a hand on his cheek. "It's time to wake up baby. Please don't you want to be with me."
Yes always Yahiko's arm lifted up and Naruto smiled and started crying. He pushed the nurses button and told her to bring the Akatsuki to the room.
"Yahiko, wake up you're almost there." Yahiko legs twitched as well as his arms.

Light? I haven't seen any light. I have to follow it. The closer I get to the light the louder I hear Naruto. Wait for me I'm coming.

"Naruto What is it?" Kisame Said. Naruto turned to them and smiled.
"He's waking up." Naruto said and the all crowded around the bed.
"Yahiko, you heard Naruto you have to wake up now. You have to listen to him." Nagato said. Naruto laughed and held his hand.
"It's okay baby I'm here, open your eyes."

My eyes, open my eye. The light I'm here I'm here. I guess I have to open my eye

Hazel eyes fluttered open. He quickly shut it due to the bright light. He could hear his Tenshi crying. It made his heart ache, he put Naruto through so much. He eyes opened once again and looked to the side, he saw Hidan, Sasori, Deidara and Kazuku. Looking down he Saw Zetsu Kisame and Obito. Looking to his left his saw his angel and Nagato. His crying angel. He looked in softly and placed his hand on the hand on his cheek. Naruto smiled and Yahiko choked out a few words.

"I think my last name is perfect for our son." Naruto laughed and wiped his tears. He leaned down and kissed Yahiko. He pulled away and ran a hand through his hair.
"Are you feeling better?" Naruto asked quietly. Yahiko nodded and Naruto smiled.
"Good." Naruto then smacked him. Yahiko held his cheek and the Akatsuki eyes widened.
"HAVE YOU LOST YOUR MIND. YOU DIDN'T PLAN TO STAY ALIVE FOR ME? YAHIKO IF YOU DIED I WOULD'VE KILLED YOU. THEN BATHE IN YOUR BLOOD." Naruto yelled at his lover. Yahiko

chuckled and pulled Naruto into a deep kiss. Naruto stopped his ranting and kissed back. The group watched as the couple seemingly drifted to their own world. Yahiko pulled away and smiled at Naruto.
"I'm sorry Tenshi." Naruto puffed out his cheeks but smiled, he whispered in Yahiko's ear.

"When you get out of here I expect sex sex and so much sex." Naruto said in his ear and Yahiko nodded.
"Absolutely." Naruto laid next to him snuggling into his warmth. Kisame was the first to laugh. Then the others laughed as well.
"Glad to have you back leader-sama." Kazuku Said and he nodded.
"Didn't know you both were so sadistic, no wonder you both mend well with one another." Kisame said holding Obito's hand. Yahiko chugged some water thanks to Nagato, man was his throat dry.
"I see after this mission you all got together finally." The others nodded and Deidara chuckled.
"Love is an Explosion." Yahiko looked to the already sleeping Naruto and nodded.

"That it is." Yahiko ran his hand over Naruto's belly. "That it is."

———

A week later Yahiko was able to walk the base but he was still needing to take it easy, but him and Naruto didn't know the meaning of easy.

"Yes Yes Yes Baby god Yes." Naruto spoked as he rode Yahiko, Yahiko hands on Naruto's waist. Leaving bruises to remember this love making, the first one. Since Yahiko left the hospital.
"Yahiko yes." Naruto threw his head back as he felt Yahiko shoot within him. He missed the feeling of his lovers hot sticky cum painting his walls. However he wasn't done, Naruto was extremely horny, he wanted to go until he couldn't move his legs. Yahiko was panting what round was that. He wasn't sure, he's had already lost track but he wasn't showing signs of becoming soft at an moment.

"Akuma." Naruto looked down at his lover.
"Yes Tenshi?" Naruto placed a hand on his lover.
"Please don't leave me." Yahiko smiled slightly, stunning Naruto for

the second time. He pulled Naruto down to him and flipped them.
"I won't leave you, or Yami. I love you both." Naruto looked at him, and started crying. He threw his hands around Yahiko's neck.
"I love you and Yami too." Naruto said as he threw his head back as Yahiko brushed against his prostate.
"Shall we pick up where we left off?" Naruto smiled and kissed Yahiko.

"Absolutely Akuma."

Yami meaning Darkness

Epilouge.

"Naruto-Sama." Naruto looked up from the paperwork on his desk to see Obito.
"Yes What is it?" Obito stepped aside to show Yami holding a plate of food. "I made us lunch Momma." Naruto smiled and got up from his desk. He smiled at the boy who had his fathers orange hair. He had Naruto's whisker marks and his bright blue eyes, everything else he got from his father. He nodded Obito out and hugged his 7 year old. "Thank you Yami. Where would you like to eat?" Yami sat down on the floor and Naruto joined him. "Are you making friends at school?" Naruto asked as he took a bite of the poorly wrapped sushi, however his baby tried his best and so he would eat it. "Yes, these twin boys name is Inojin and Shikadai. They both said that his momma and Papa were your friends in school and still are after you quit your job. Naruto smiled and nodded, "yes me, Shika-Kun and Ino-Chan are friends." Yami smiled the same bright smile Naruto sprots constantly now that he had his family and all seemed to be peaceful at the moment. "Are you saving any food for me?" Naruto smiled as he heard that voice. Yami stood up and ran to his dad. "Papa, How was your mission?" Yahiko kissed his son on the head and smiled.

"It was a good one, did you save some sushi for your father?" Yami nodded and pulled his dad down to sit down. Yahiko kissed Naruto on the cheek and began eating sushi while talking to his son. Naruto looked on with such love, he was sure that his heart would explode. In these seven years Naruto and Yahiko has raised Yami. He knows he is the heir to the Mafia Akatsuki however he won't start training until he is 12 giving him a childhood. Naruto still keeps in touch with Shikamaru who got together with Ino. Having Inojin and Shikadai. The Akatsuki expanded and grew. The one sole Mafia ruling the underground at the moment they have stumbled upon a peaceful time.

Kisame and Obito are still together, along with Sasori and Deidara, and Hidan and Kazuku. Zetsu ended up dating and marrying Yasin. While Nagato is dating a woman named Mei who doesn't care that he's in the Mafia. Naruto and Yahiko are the only ones that had a child. The other couples are looking to adopt except for Zetsu and Nagato. Yami ate the last sushi and laid down in between his mother and father. "Yami Baby, you shouldn't sleep on the floor." Naruto whispered in his sons ear, joining him on the floor. Yahiko chuckled as he heard the soft snores from the both of them. Grabbing a cover he covers them both and lays down with them.

"*I can't believe I was ready to die and not get to experience all of this."* Yahiko mentally reprimanded himself and drifts to sleep. Yami was a beautiful boy, beautiful spirit. Kisame once called him 'an orange haired angel' he was much like his mother, compassionate, and wore his expressions on his face. He however was still Yahiko's son and was commanding when wanting an answer. His voice was like a child like version of his fathers voice. He was the perfect mix of the two. Not too crazy but not too calm he was right in the middle.

Yahiko's glare never softened unless looking at his son or Naruto. His voice did soften a little but he still put fear in the hearts of almost anybody excluding his son and Naruto. He was working on making sure there wasn't another Mafia like the Heibi brewing since Suigetsu and Judo were the only two to make it out alive.

Naruto changed the most. He was still known as Deadly angel in the underground and to police officers. He was more of a protecter now, making sure nobody could lay a hand on his family, now that Yahiko let him. His blonde hair was still long and he looked amazing. He's looked better now than he's ever have. He has a family now, people worth protecting and it feels him with joy to be able to protect them.

Yami woke up in his mother's arms. He could see his dad's arms wrapped tightly around his mom and smiled. He was glad he had such loving parents. He wanted a sibling however. He wanted to protect someone like how his papa protects momma. Naruto felt his child stir and opened his eyes to see him pouting. "What's wrong baby?" Yahiko in turned opened his eyes sleepily and looked at Yami who seemed so sad. "I want somebody to protect. I want to

have a sibling to watch over and protect, like how Papa protects you Mama." Naruto face curled into a smiles as he kissed his sons head. Yahiko felt his heart flutter at his sons problem. He was a kind soul, much like Naruto. Naruto smiled at his son. "Im going to let you on in a secret baby, don't tell daddy." Yahiko rolled his eyes as Yami nodded ferociously. "Mommy is pregnant. I'm having a girl." Yami eyes widened as he looks into his moms eyes.

"I'm going to be a big brother?" Naruto chuckled and nodded. "And you'll get to protect her too." Yami smiled and hugged his mom and started crying. Naruto was tearing up as well running a hand down his sons back. He was whispering loving words into his sons ear. "Baby you'll be a good brother." Naruto kissed his cheek and wiped the tears from his eyes. Yami looked at his mom and smiled and wiped his tears. "I'm going to go train with Uncle Kazuku so I can protect her." Naruto laughed and ruffled his sons hair. "Make sure you pace yourself baby." Yami nodded and ran off. Naruto hummed and turned around to face Yahiko. Yahiko kissed his forehead and brought him in tighter. "How far along are you?" Naruto smiled against his chest. "4 months, but it was nothing like my pregnancy with Yami. She's calmer, most likely will take after you." Yahiko chuckled and brought Naruto's lips to his.

Pulling away from the kiss Naruto smiled at Yahiko.
"The name for the baby?" Yahiko thought about it, them he smiled.
"Kirā Pein." Naruto looked at his lover and scoffed.
What did I say about your last name?" Yahiko chuckled and placed his hand on Naruto's cheek.
"You named Yami Pein, I don't see why Kirā can't also be Pein." Naruto rolled his eyes but smiled.
"Fine I guess." Naruto pulled away from Yahiko and smiled. "Now get out I have to clean." Yahiko chuckled and kissed his lover.

"There is a meeting in the conference room after dinner Tenshi, I expect you to be at this one." Naruto licked his lips.
"I'll be there, however Akuma. I still would love a punishment." Naruto kissed his lover and walked towards his desk only for Yahiko to grabbed him by the wrist.
"I'll give you a punishment right now while Yami is distracted." Yahiko locked the door and pushed a pregnant Naruto against the

desk, not roughly but enough. Naruto moaned and dropped his Kimono with nothing underneath. "Do I get a harsher treatment?" Naruto purred out and Yahiko nodded. "You do. I've told you about wearing clothes in the presence of others." Naruto practically moaned at the way Yahiko breath seemed to dance on his skin.

"I love you Akuma." Naruto said wrapping his hands around Yahiko's neck. Yahiko bit down and licked up the blood trickling down Naruto's neck. He then kissed Naruto letting him taste the irony taste he loved so much.
"I love you too Tenshi."

Kirā meaning Killer.
